President’s Message

This year has started with the loss of very valuable individuals within CSHA. We were advised of the passing of Alice Yaryan from Region 11, Emmett DeLaFosse who was past First Vice President in approx. 1987, Jack Abraham from Region 5, Gary Gustafson from Region 4, Ira Sullivan from Region 5, and Norm Sims who was State President in 2000-04.

Each of these individuals has been major supporters and contributors to CSHA. Because of their tireless efforts CSHA has grown to what is today. We all have memories of what each one has brought to this organization; I have had the honor of knowing some of them personally.

Building on what these people have left in our trust, I know we will continue to grow!

On a happier note, I attended the Horse Expo in Pomona and met with a number of CSHA members and non-members that came to the booth. I would like to thank Ingrid LeMasters, Region 11 President, and Helen Johnson from Region 11 for coordinating the booth. I would like to also thank Ron Jenkins, State First V.P., Carol Grey, Southern Area V.P., and Pam McLain, President Region 12. They handled the breakdown of the booth on Sunday. It was good to see representatives from some of our clubs also putting in time at the booth.

As always we were represented by our State Royalty, with our 2014 Sr. Miss, McKenney Middleton, Sr. Ambassador, Phillip McCabe, and our Little Miss, Sarena Benz-Zeev. If vendors did not know who we were before, they did that weekend. Thank You to our Royalty.

Thanks to all.

CSHA President

Royalty—Miss CSHA 2014

For the past month I was able to represent CSHA in a number of events. I was able to attend the Region 5 awards banquet with six other royalty members. Region 5 had the Cattleman’s Restaurant packed with people supporting and receiving awards. That same week I went to quarterly in Santa Nella with other royalty title holders. The month was wrapped up with my little sister Morgan and I attending the Mother Lode Round Up Queen Competition Kick Off. There we where able to meet many other rodeo queens, aspiring rodeo queens, and royalty was invited to a Royal Rag Exchange which date is yet to be reset.

Finally I was able to attend the Pomona Horse Expo with Philip McCabe and Sarena Benz-Zeev, our Senior Ambassador and Little Miss of 2014. We were able to talk to vendors and gain sponsorships and connections with many businesses, organizations, and individuals. I look forward to giving you all another update in royalty affairs next month.

Parade

The parade season kicks off this month beginning with the Cloverdale and Ripon parades. Last month, Alice Lawwellin and myself met with our newest members, the Mid Valley unit of the national organization of the Backcountry Horsemen. They are very excited about their membership as both a mounted group and a color guard unit.

Our January Quarterly meeting in Santa Nella saw twelve members in attendance. Paulette Webb and Mark Overby both gave great reports on the upcoming State Championship Parade and the Awards Banquet that follows scheduled for June 14, 2014 in conjunction with the Livermore Rodeo Parade. Pam Michalek has worked very hard with the webmaster Marie Grisham for CSHA on the parade program website. Pam gave an informative update and she is also requesting that we all send her photographs of past and present paraders to make the site more personal. You may reach Pam at lvtoride@sonic.net

Our next worthwhile event will be a grooming and parade readiness seminar. This is to be a fundraising event and the presenter will be longtime parader Kassi Gutierrez. It will be a multi-program benefit shared with the Backcountry Horsemen and CSHA Royalty Program. The seminar will be held Saturday March 15, 2014 at the Cunningham Ranch in Manteca from 10 AM to 2 PM. The cost is $10.00 per person with no charge for children under 12 years of age. The proceeds from the seminar will go to the parade program. A delicious lunch will be prepared by the Backcountry Horsemen members and the proceeds will go to their organization. They will also have information available about their membership and I know I some of us will want to join them in their important trail endeavors that many of us enjoy. The CSHA Royalty program will have a bake sale and raffle ticket sale available to benefit their scholarship program. Please make this first time event a success by attending or have some members of your group attend. We can all have a good time with old and new friends learning new techniques of being prepared for your special parade days ahead. Find out what the Backcountry Horsemen is all about while also supporting both the CSHA Royalty and Parade programs. I hope to see you there.

Sincerely,
Candy Graham

Drill Team

The drill team program kicked off the year early with a “2014 Compulsory Drill Seminar” held at Leone Equestrian Center, the home arena of the Sacramento Sheriff’s Posse teams. The Posse teams provided a delicious pasta lunch. Two teams of eight and twelve riders learned the 2014 compulsory drill step by step and by the end of the day provided the observers with a full run through of the drill. CSHA Judges were on hand to test out the new format judges sheets as well offer advise to attendees.

January also saw the kickoff of our 2nd annual Spring Raffle. The raffle allows teams to earn money for attending drill competitions. Ten teams and the CSHA Royalty program are participating in the fundraiser which will conclude with the winning tickets being drawn at the State Championship competition in May.

In February CSHA's Reserve Champions “California Cowgirls” performed at the Horse Expo in Pomona and also met attendees at the entrance in a meet and greet. The Cowgirls are superb ambassadors for our sport.
2014 marks the 65th Anniversary of the CSHA Drill Team Program! To mark the occasion a 65th Anniversary Unified Ride will feature a composite 65 rider drill to be performed at the State Championships.
