President’s Message

I’m back! My tour and evaluation of a number of bay area medical institutions was long and detailed. Due to the fact I have a ranch I have shortened the usual rehabilitation process as my chores piled up during my absence. Kidding aside it was quite an experience that I do not plan to repeat anytime in the future! It was a busy two months off the trail and I am quite happily returning to activities.

I am drafting my report from the Western States Horse Expo at the CSHA booth and had an enjoyable time yesterday at the State Parade Awards Luncheon in Livermore.

A new tradition has started in CSHA to awarding service pins to Judges for their years of contributions to CSHA.

A Special Thanks to Paulette Webb for organizing this event with the assistance of Mark Overby, Cheri Whipp and Melony Overby.

Thank You to State Patrol Members Tim & Lauren West for being the on-site security at Livermore Parade and the luncheon for our parader’s trailers that day as well as their Double Duty of patrolling and overseeing security of the barns and all horses at the EXPO Friday, Saturday and Sunday!

Thank You also to those Royalty members that participated at the State Parade and many also contributed time at the booth at Horse Expo.

This requires a lot of time by parents and the youth to get horses ready as well as looking their neat & clean best for CSHA. Many miles traveled and too little sleep to accomplish it. Hats off to all those participating and a Big thank you to the parents!

Special Thanks to Pam Purdue for presenting the Horsemastership Program at the Horse Expo for the second year. She has tirelessly put together and presented aspects of the CSHA Horsemastership for a segment at the Expo. This year’s grooming segment had lots of interested people and easily extended from the original 45 minutes to an hour and a half. Thank You Pam for your contribution to educate the horse community and highlight the Horsemastership program.

Now to the Big Thank You; Cheryl Caldwell redesigned the CSHA booth for Horse Expo and made a wonderful presentation and representation of the organization and our programs! We secured a high traffic location this year and had a really nice time. There are always many CSHA members who stop to say high and we talk to many who don’t know anything about us.

Thanks for the volunteered time at Horse Expo by Sue Edwards, Northern Area Vice President, Region 2 members Rita Cassibba & Brandi Frazier as well as Cheryl, Greta DeGraeva, Region 3 member, Carolyn Hendrickson-Region 5 President and myself. Thank You to Royalty members, CSHA Miss McKensey Middleton, Region 4 Little Miss Morgan Middleton, Ambassador Phillip McCabe, CSHA Jr. Miss-Bailey Newlin, CSHA Little Miss- Sareena Ben-Zeev, Region 5 Little Miss Jen-Ry Heron. Phillip got a special treat in assisting Trainer Charles Wilhelm with the Super Horse competition and awards.…..

Ride safe, enjoy the trail and see you out there Jim Hendrickson.
Insurance

As the summer event season gets into full swing here are some important tips to remember:

1. Complete the appropriate form and email or fax to our office. Cindy.melcher@hubinternational.com or 800-531-5692.
2. If certificates or additional insured status is required, a fully completed form is required. If special additional insured wording is needed, send it along so we can determine if the carrier can meet the requirements as stated. In many cases, we have to contact the various cities to negotiate wording, this can not be achieved at the last moment.
3. While we endeavor to complete all certificate requests when received, if they are all sent late Friday afternoon, it may be too late. Get it to us as soon as you are aware of the event.
4. Please make sure all releases are properly signed by the appropriate adult or guardian, they are worthless otherwise.
5. If an incident occurs, please complete the appropriate form and send to us, with supporting documents at once. If needed, contact my office 800-422-6210 Ext 21. If after hours or on the weekend my cell is 951-315-6075.

Have a safe ride!

Show of Champions 2014

The committee is already ramping up for the October 8-12, State Championship Show of 2014 at Watsonville-Santa Cruz County Fairgrounds. Currently the Program chairs are submitting their program information and the schedule is taking shape. We sent out the “theme” contest with the deadline of July 1 to the Regions and chairmen and will be selecting & announcing that by Quarterly. Most arrangements and set up will be similar to SOC 2013.

**Remember DEADLINE DATES to submit fees and forms.**

- Stabling/stall Reservation Form Posted: **August 15th Deadline.**
- Preliminary Daily Schedule Posted
- Vendor/Advertising/Sponsor forms Posted
- Premium book due to be posted before Quarterly

_The new Sponsorship Brochure is ready_! It is the coordinated effort to advertise all our Championship Programs for SOC to any sponsors, offering opportunities for assisting and donating to our program(s). A limited number of booklets will be available a Quarterly and the form to accompany it is on the Website.

We will need volunteers for on-site jobs as well as pre-event tasks. Please contact me directly to volunteer to assist at SOC. Any games, contests, keeping the barns and camping organized and running the office are a big part of what makes SOC run smooth. We need some help for Horsemastership to set up their courses and Royalty with the dinner & auction. _A little time and helping hands can go along why…....................

**THANK YOU to our VOLUNTEERS you are important to me!**

As an all Volunteer organization, many events would not even take place without them.

**But what we need are MORE VOLUNTEERS;** the load would be so much lighter if shared by many. Did you know that if you volunteer to help in the CSHA Booth at EXPO you get free entry?? Let’s not burn out those volunteers that do this every year--year in and year out-----give us a few hours of assistance. You might find it fun & getting together for dinner or the nearby pub can be a fun finish at the end of the day ..........

**Royalty at Day at the Races!**

Little Miss CSHA Region 18, Alexis Renshon

I had a great time at the Day of the Races. It was held at the Gold Gate Fields in San Francisco. We had a fun lunch and helped judge the hat contest. We were also able to take our picture in the winners circle. That was my favorite part!

Miss CSHA Region 18, Cody Foster

I had a great weekend on May 10 and 11, I was able to ride in the cottonwood rodeas parade and the cottonwood rodeas grand entry! I enjoyed being around the other queens and seeing everyone at the rodeo!

Miss CSHA Region 18 Cody Foster sold the Grand Prize ticket in the CSHA Spring Raffle to her dad Keith.

Youth Horsemastership

The program is going strong with 20 contestants, 9 of whom are riding their own horse! Our wonderful program horses, Candi, Gunner, Jim and Rosie, are doing a fine job with the rest. We’ve had 5 practices with 6 more to go, almost halfway through our year already! Our biggest division is English 6-8, followed by 9-11 Gymkhana, with the others pretty evenly spread between English and Western, and 2 12-13 English II over poles. Our kids and parents are enthusiastic and dedicated, and have attended gymkhanas to work snack bar, or offered lunch at practices, to raise award funds for the program. But mostly, everyone is having a lot of fun and learning a lot!

Our Spring Bling was a huge success and I really think everyone like the new bling for their horses. It was a fun day for all.

Drill Team

The top drill teams from California congregated at the Diamond Bar Arena in Ceres May 3rd & 4th for the CSHA 2014 California State Drill Team Championships. Teams traveled from as far north as Redding and from Los Angeles to the south.

2014 is a milestone year marking the 65th anniversary of the first California State Drill Team Championships put on by CSHA in 1949. To mark the occasion a special “65th Anniversary Unified Ride” was held Saturday evening at the conclusion of the first day of competition. The ride was a compilation team consisting of 65 riders representing the teams competing at the championships to celebrate the occasion. It was a remarkable sight to watch as the team of 65 riders gave a stunning performance after just a brief two hour practice. Horses & riders were remarkably well behaved!

Saturday evening was the open division competition featuring the Novice, Compulsory and popular Theme division. Sunday afternoon the competition took a more serious turn with the high point short and long programs that would determine the State Champion titles.

Sunday concluded with the presentation of awards and crowning of the champions. The Blue Shadows from southern California took home top honors winning the “Grand Champion” and “Junior Division Champion” titles for the seventh consecutive year. “Reserve Overall Champion” and “Mixed Division State Champions” was awarded to the Smokin’ Guns from the San Ramon Valley. The “Senior State Champion” title was won by the Sacramento Sheriff’s 911 team, and the “Quad State Champion” was won by the Lucky Clover 4-H. The CSHA Spring Raffle winners were drawn by Western Performer Belinda Gail. Congratulations to all of the winners!

Now we are gearing up for the California Coto Cup Competition the first weekend of August where we will welcome not only local teams but also teams from Washington in California’s most prestigious drill team event. We would like to invite CSHA members to join us at the California Coto Cup on Saturday evening for a private performance by Belinda Gail. See the announcement further on in this newsletter!

Pathfinder's Day Parade, Fremont California, circa 1968 – My first parade. No one in my family knew what was to come when Ginger and I stepped out onto our first parade route - me in my first cowboy hat and new pressed jeans both bought from Rae over at Rowell Ranch Western Store and Ginger in her Indian hackamore with brand new ropes, her 1930’s Visalia saddle and a 4 month old filly in tow. My Dad, his brother and I rode in several parades over the next few years from Castro Valley to Fremont with a side trip to Pleasanton. I imagine that each parade had a judge but I was totally oblivious to all that. It was just show up, get in line and have a great time.

All that changed in 1973 at the Rowell Ranch Rodeo Parade in Hayward (yes, it was held in Hayward alternately back in the day). Somehow I got judged and won third place. Mary Medeiros, the judge, told me my mare was too old for a hackamore and to put her in a bridle. Unfortunately, she didn't tell me the snaffle came in between. Lucky me for me 9 year old Ginger was a kind soul and I survived he transition.

I became more aware of the Parade Program and judges when my cousin-in-law, Jackie Auguadro, got involved in the Fancy Parade Horse and Parade Horse classes and a friend of mine began dating the daughter of CSHA judge Al Darnell in the mid-1970s. Since that time, I've had the privilege to ride under, work with and be a peer to a long list of judges. There were days when I wanted to strangle any number of them. I can truthfully say, however, that I respected the judging ability of each of them and benefited from the “improvement tips” that came my way beginning with that first one from Mary, as well as all the help they gave me during my quest to become a CSHA Parade Judge.

Some of these judges have moved on to other activities, others have retired or are now deceased. And some are still with us. Speaking as a former parader, I feel that the standards set by each of these judges have made each of us just a little bit better. In acknowledgment of the contributions of the CSHA Parade Judges to the State Parade Program and to CSHA, I would like to “call the roll” of those judges...if you know of anyone I missed, let me know.

**A Look Back—The Making of CSHA**

Don’t expect a story about all those men who gathered in 1942 to “invent” CSHA. Don’t expect a story about how long it took us to have a woman Region President, let alone eventually get a woman State President. Don’t expect a story about high points or the creation of a new program. CSHA was “made” in 1942 and has evolved, been re-designed and “re-made” innumerable times over the ensuing years.

I was reading some old copies of the New Horsemen that I had stashed away in a credenza one afternoon and came across the November 1992 issue, when Julie Morin was the editor. I would like to share with you the editorial that Julie wrote for that issue.

“I have of late been plagued by a common, communicable disease in CSHA called VBO or Volunteer Burnout. It seems that my life had begun to evolve around my volunteerism with CSHA.

I first got involved in this organization because one of my daughters decided she wanted to show horses. Little did I know what it would be like to be a “Horse Show Mother.” I also had no idea what it would mean to become a member of an association like CSHA. But today, some ten years later, that daughter is the mother of two youngsters and has little free time to ride and I sit here at my computer, facing a wall filled with Certificates of Appreciation, Certificates of Office, some plaques and a gavel – all of which bring back some fond memories.

Last month at the Show of Champions I stood watching the riders in the Grand Entry as they came into the arena full of enthusiasm and their excitement and expectation filled the air. A lady standing next to me smiled and asked “Which one is ours?” At that moment I knew why I had volunteered so many years, even after my own children had temporarily left the association. I looked at all those young fresh faces and replied “All of them.”

This really should be the answer for each of us as we strive to make the California State Horsemen’s Association the best it can be. Every one of the competitors in our programs, every horseman on a trail, and everyone who just likes to sit on a fence and watch horses graze or run across a field belongs to us for we are all people who care about the future of horsemen and horses.

While we may from time to time need to take a break from a heavy volunteer schedule, we must try to remember why we are volunteering in the first place. It seems to be my time for a break….”

The “making of CSHA” is summed up in the word “volunteer”. Nobody got paid to start this organization. None of its officers or chair people have ever made a living from the organization. Some of us joined for our kids or grandkids. Some of us don’t have either and joined just for ourselves. No matter why you joined, you, as a volunteer…you, as a participant…are the making of CSHA.

The next time you look out over the arena, over a crowded room at a meeting, over a group of riders gathered at the trailhead and someone asks “Which is yours?”, I hope that you will feel compelled to answer as Julie did back in 1992… “All of them” because I do it for me, I do it for them and we are the making of CSHA.

Note: Julie Morin joined CSHA as a member of Region VI. Her exploits included serving as a State Convention Chair, Region VI President, mother of the Region VI Queen & being a founding member of The Purpose and the M&M Clubs. After moving to Region IV, Julie spent numerous years as editor of The New Horseman taking the newsletter to new heights as a glossy covered, monthly mini-magazine. Even when her volunteerism was severely curbed by her final illness, Julie kept her fingers in the “making of CSHA”.

Northern Area News - Western States Horse Expo

This year the CSHA Booth at the WSHE had a face lift. Cheryl Caldwell, a life member of Region 2, offered her expertise and equipment to give us a new location and look. In addition to building a better profile of what CSHA has to offer she had paintings entered in the Art Show winning a First and Second Place in the Acrylic Paint Division.

Cheryl took pictures from the programs and created a collage highlighting the activities on a decorative background. The booth this year was on a corner and was very open and inviting to the horse enthusiast walking through the shopping mall.

Of course it takes more than just the eye catching display to encourage people to stop and ask about CSHA, it takes the Royalty, walking around in full attire and staff members manning the booth at all times. Cheryl organized the volunteers so that all would have time to enjoy the WSHE as well as spend a few hours at the CSHA booth.

These three ladies, Rita Cassibba, Cheryl Caldwell, and Brandy Fraser, all of Region 2 were the main faces at the booth. Greta DeGraeve, Jim and Carolyn Hendrickson were on hand Friday to help man the booth.

I want to personally THANK Cheryl for having offered to give the CSHA booth a makeover and then took on the responsibility to organize the booth and staffing. With Cheryl and her team, Rita and Brandy, CSHA had great representation throughout the entire event. Thank you again,

Sue Edwards, CSHA Northern Area Vice President
Trail Trials—2014 STATE CHAMPIONSHIP EVENT

This year the SCE Trail Trial Championships will be held at the Greenhorn Guest Ranch www.greenhornranch.com, outside of Quincy. Ralph and Trish are such wonderful hosts they have worked with us to give all of you a wonderful experience. You can either camp in the meadow or pamper yourself in a cabin or in the lodge. Look on the CSHA Trail Trial website, www.trailtrials.com for more information in the upcoming month.

Looking for a way to support the program and help with your entries? This year we are offering a sponsorship program. The information is posted on the CSHA Trail Trial website. As Coral Kane, your 2014 SCE Ride Manager says; ask your Spouse, Children, Aunts and Uncles or your local Businesses to support your desire to WIN the Championship.

It looks like we have over 50 riders that have already completed the ride requirements to be invited to the SCE. Have you checked out the rider status on the website? If you are not being shown as qualified contact your Region’s Trail Trial Chairman to find out why. Let’s get any qualification issues resolved now. Remember to qualify for the SCE you must:

1. Be a CSHA Member, direct or indirect
2. Join your Region Trail Trial Program, if your Region doesn’t have a program contact the State Chairman, Tami Sandberg
3. Complete 3 Sanctioned Trail Trials.

We are still looking for Volunteers to obstacle judge for us. We have a great package to offer those who will not ride this year and work to give the riders a great CHAMPIONSHIP EVENT. Please contact Coral Kane, coralkane@att.net or Sue Edwards, sue367@earthlink.net to be added to our judges list. A list of jobs will be posted to the CSHA Trail Trial website that still needs to be filled. THANK all of you who support the program.

POKER RIDES – Now controlled by Bureau of Gambling

For many years Poker Rides have been used as fund raisers by a variety for nonprofit groups (car clubs, horse clubs, motorcycle clubs, etc). Unbeknownst to the majority of the members of these groups the law governing these “controlled games” was changed on January 1, 2007. On that date new California laws went into effect that not only limit the number of controlled games the organization can offer each year, but also requires the organization to complete a Bureau of Gambling Control registration form, and pay an annual fee of $100 to the California Department of Justice.

Controlled games that are an approved funding mechanism are specified in the California Penal Code section 337j(e)(1) as “any poker or pai gow game, and any other game played with cards or tiles, or both, and approved by the Department of Justice, and any game of chance, including any gaming device, played for currency, check, credit, or any other thing of value that is not prohibited and made unlawful by statute or local ordinance.”

The following page outlines the new laws.

NOTE - The current processing time frame, at the Bureau of Gambling Control, is 30 business days for all charitable gambling registration forms. CSHA has not completed the registration form, nor paid the fee. The Board of Directors will have to review and approve this item. If you are a State or Region program chairman; or a Region President who desires to use a controlled game, in 2014 or 2015, please forward the details of your intended event to CSHA CFO Linda Quattlebaum (cshacfo@att.net) prior to July 15th,

For more information contact the DOJ Help Desk (916) 227-3584 or email BGCCharitableGambling@doj.ca.gov

(Business and Professions Code 19985et seq.)

- Limits charity fundraisers involving controlled games to nonprofit organizations that are qualified to conduct business in California; have been in existence for at least three years; and are exempt from taxation under the Revenue and Taxation Code sections 23701(a), (b), (d), (e), (f), (g), (k), (l), or (w).

- Requires eligible nonprofit organizations to register annually with the Bureau of Gambling Control, pay a registration fee of up to $100 to cover the cost of administration an enforcement, and maintain annual disclosure reports for each event.

- Allows charities to conduct fundraisers using controlled games.

- Limits an eligible nonprofit organization to only one fundraiser per calendar year using controlled games.

- Allows eligible organizations that have multiple chapters to hold one fundraiser per chapter per calendar year.

- Limits each fundraiser to no more than five (5) hours in duration.

- Sets a limit of four (4) events per location, unless pre-approved by the Bureau of Gambling Control for a “rural” area.

- Prohibits cash prizes or wagers from being awarded to participants. Winners may be entitled to a donated prize. Individual prizes must not exceed a cash value of $500, and total value of prizes awarded must not exceed a cash value of $5,000 (Gift cards are not considered cash and are ok to award as prizes.)

- Requires at least 90% of the revenue (from a fundraiser using controlled games) to go directly to the eligible nonprofit organization.

1. Prohibits more than 10% of the gross receipts of a fundraiser using controlled games from being paid as compensation to the entity or persons conducting the fundraiser, excluding a facility rental fee.
**POKER RIDES – Continued**

- Prohibits persons under 21 years of age from participating in the fundraiser.
- Requires any supplier of gambling equipment and/or dealer services used in the playing of the controlled games by an eligible organization to register with the Bureau of Gambling Control.
- Requires eligible organizations holding fundraisers using controlled games to maintain records for each fundraising event and upon request provide the Bureau of Gambling Control an itemized report which includes the following information:
  - Gross receipts;
  - List of recipients of the net profit;
  - The number of persons who participated in the fundraiser;
  - A list of direct costs incurred;
  - A list of all prizes awarded; and

  **Date, hours and location for each fundraiser held.**

- Authorizes the Bureau of Gambling Control to take legal action against a registrant for unsuitable conduct. Local jurisdictions may have additional requirements or limitations for nonprofit organizations conducting fundraising events where controlled games are used.
