President’s Message

It has been a very busy summer season for many of our programs. The calendars always seem packed with CSHA events and shows. It has been a little harder on some fronts to keep the same formats and events going as finances stay tight. This is something the executive committee members, board and state chairmen reflect on and work with all the time.

In keeping with this theme I read with great interest an interview in the June 2014 Western Horsemen with Billy Smith the current Executive Director of American Paint Horse Association. In corresponding with Mr. Smith I asked permission to quote from part of the interview that I found timely as it captures the experiences for the horse industry as a whole. Mr. Smith graciously was very happy to have us spread the word:

A: (Billy Smith) “What we are trying to accomplish, is working to change the mood of the last five or six years in the horse industry. We can pine for the old days, or we can just get on our horses and head out, and be happy with where we are today and grow that.

(When the recession hit) I think there was a tendency in the entire horse world to hunker down and wait for things to come back. And they just aren’t. There is a new normal and that is the environment we work in. If we spend too much time pinning for the past we risk being irrelevant in the future.

I remember telling my staff that hope is not a strategy. We can hope all day that the economy improves or the horse industry improves, but it is not a business strategy for the future. The horse industry has convulsed and we’ve got to figure out ways of making things happen that we haven’t thought of before.”

The message here: our organization is in the same boat as so many others: are we going to keep moving ahead into the future and change as needed? Where some of you may not think of us as a business per se’ but to run with the gold and paint yourself in corners with unrealistic goals and expenses that have a low income base is not wise in anyone’s book.

We take the opportunity each year to change and improve our bylaws that guide the organization. Be part of the solution to keep us moving…………..not part of the problem that stalls us into inaction.

The organization marked its 72nd year in 2014………..pretty impressive……………..let’s keep it moving forward !!

Ride safe……..Regards, Jim Hendrickson

July Newsletter Correction

The report that Mr. Don Haskell was deceased as shown in the list of CSHA Parade judges, past and present in the July newsletter was incorrect. We apologize for any concern this typographical error might have caused to anyone.

Paulette Webb
Hello everyone! Royalty has been involved with many things since my last newsletter. I was able to ride in the Oakdale Rodeo parade and my little sister, Morgan Middleton Region 4 Little Miss 2014, and I were able to help with the Jr Miss Calaveras competition. Several Royalty members were present at our Livermore Spring Stampede. Morgan and I were also able to attend the drill team year finals at Diamond Bar Arena and the same day I was able to watch the Motherlode Round Up Queen Speech and Coronation. Royalty enjoyed attending our Day at the Races celebration in May where we got to take a picture with the winning jokey. A wonderful opportunity for our royalty group this year was to do an equestrian presentation for the second graders at the TEAM Charter Elementary School in Stockton. Kate Sorrel Region 5 Miss CSHA and I were able to attend and with no rehearsal the presentation flowed beautifully. Many of the kids we spoke to had never touched a horse before, so it was very exciting for them. The second graders sent many heart warming thank you cards to Kate and I.

In June Royalty was busy with representing CSHA at the Cal Expo Horse Expo, riding in the Livermore State Parade, and attending the Parade Reward Luncheon afterwards were Royalty received an award. This July Morgan and I rode in the Benecia Parade on the third. The Benecia parade had previously been an unsanctioned parade, so it had been awhile since CSHA had represented there. Main St Benecia was happy to have us back! Morgan and I had never been received by so many children with such enthusiasm. On the fourth Philip McCabe the Senior Ambassador of 2014, Morgan, and I rode in the Alameda 4th of July Parade. The parade route was beautiful with many gorgeous homes celebrating America's Birthday. Also on July 4th Cody Renee Region 18 Miss CSHA says "I had the privilege to go up to the Weaverville parade and bull ride, I stayed with the endurance program at the camp that Audra Homicz is working so hard on improving and making a great horse friendly camping area! Also, on July 13 I got to ride for a boy named Preston. He got hurt in a quad riding accident and had to go to UC Davis for a lengthy stay. SCR held a benefit gymkhana. It was a great day and Preston even came and rode barrels." Sareenna Ben-Zeev Little Miss CSHA 2014 participated in a show that was held at the Equestrian Center of Walnut Creek (ECWC) and Angel's for Mini's, one of 3 mini horse rescue organizations in the country. They run rescues, offer camps and participate in horse shows, parades, rodeos and other horse activities and shows. Sareenna says "The mini horse show was a lot of fun! The little kids who were in the camp for the mini rescue looked really cute with the ponies. They were in halter, showmanship, liberty and costume classes! There were also other people competing in the obstacle classes too! The horse show was really fun and there were a lot of really nice people. I hope I get to experience it again!".

At the end of July royalty was able to participate in the Salinas Rodeo Parade where we won first place both days we rode in the Junior Mounted Division. The local news had even showed us on the news twice!! The link to see our royalty in action is http://m.ksbw.com/news/the-daily-california-rodeo-horse-parade-kicked-off-the-last-day-of-big-week-sunday-morning/27052174 Cody Renee and Ginny Herron the Region Five Little Miss CSHA also represented at the Salinas Rodeo. As a fundraiser for state scholarships right now Royalty members are selling little American Flags for one dollar each. If you are interested in buying a flag or just donating please contact your regional royalty member or call me at (209) 795-2070. Thank you everyone for the support you give royalty! Keep calm and ride on everyone, until next month.

Sincerely McKensey Middleton

She was an adventurous and caring sister to 7 other siblings. In November of 1951, she married her love, her life-long companion, Audrey Leonard. During their 63 years together they had an exciting journey of traveling the States together. Along the way they made many treasured friends. Jean was an avid horsewoman and belonged to the California Horseman’s Association. Her passion was organizing the fundraiser for the Association, “Day at the Races” at the Golden Gate Fields. She was also involved in volunteering for 4-H Horsemanship and Western riding classes and touched the lives of many young riders. Jean was a woman of courage and strength which was evident through her love for others and relationship with Jesus. She is survived by her sister, Nadine Thomas, Lee Santos and brother, Phillip Kerr and many nieces and nephews. Jean was preceded in death by her husband, Audrey, her parents and siblings: Francis Kerr, Juanita Bordwine, James Kerr and Peggy Hamilton. Services were held on Thursday, June 19, 2014 at Allen's Mortuary in Turlock, CA with a reception that followed.

Linda “Lin” Thirion— (1948-2014)
Linda L. Thirion, passed away in Colorado Springs, Colorado at the age of 66. Linda “Lin” was born on February 28, 1948 in Denver, Colorado to Paul A. and Virginia (Bergen) Dellerba. Vicki Kardell—(1940-2014)
With heartfelt sadness, Vicki’s family announces the passing of this amazing woman on July 15, 2014, from complications of a rattlesnake bite the day before. She was born Victoria Lehman on Jan. 16, 1940 in New London, Wisconsin. She was a mother, grandmother, great-grandmother, horsewoman, horse trainer, rancher, farmer and mentor. The 2014 California Coto Cup was contested for the second year in a row at the beautiful Horse Park at Woodside. Saturday evening after a day of team practices everyone gathered in the covered arena for a relaxing evening listening to the stunning voice of Belinda Gail. Congratulations to Belinda for recently being nominated by the Western Music Association in four categories, Album of the Year, Song of the Year, Female Performer of the Year, and Entertainer of the Year!!! CSHA is proud to have had her perform at our event.

Sunday unveiled the closest competition we have ever had. Each team presented two drills during the day with the scores combined to determine the winner. With 5 points between 1st and 3rd it was a too close to call event with no one being able to predict the winner. Before announcing the Coto Cup Champion the Cool Country Cowgirls were named the Quad Cup Champions for teams of 4-6 riders, and Historic Durham Ferry, the charter school junior team, was named the Novice Cup Champion in just their second competition ever!

In the Elite Coto Cup division the California Cowgirls finished as Reserve Champions to the visiting Latigo ’N Lace from Washington. The Latigo ’N Lace had won the Washington State Championship 2 weeks prior and the close competition at Coto Cup showed just how close the parity is between states. Congratulations Latigo ’N Lace and thank you for making the monumental trip down here to California!

Latigo ’N Lace of WA took home the 2014 California Coto Cup!

A special award of recognition was given to Redding Rodeo team Captain Jacquelynn Scarry for her beautiful award winning art that was also featured as the back cover of the Coto Cup program.

The week before Coto Cup Cindy & Shelby Eichelbaugh from the Sacramento Sheriff Posse lost their home in the Sand Fire. At Coto Cup we “Passed the Boot” to help them rebuild their lives.

Sadly the day after Coto Cup, “mama gun” Linda Peixoto of the Smokin Guns was critically injured in a life changing car accident. We are all keeping her in our thoughts and prayers and sending our support to the team. We hope as she sleeps she is replaying the great performances the Smokin Guns had the day before.

WE HAVE A WINNER!

The Trustees of the California State Horsemen’s Association Charitable Trust are pleased to announce that Callie Meeder of Davis was the winner of the 2014 CSHA U. C. Davis Veterinary Scholarship. Callie has maintained a 3.676 grade point average, won the Roy Grant Scholarship, CVMA Award for Practice Excellence and is was awarded life membership in the California Scholarship Federation. In addition, she made both the Dean’s List and the President’s List while earning an undergraduate degree in Animal Science from Cal Poly San Luis Obispo. While at Davis, Callie’s emphasis/areas of interest have been equine internal medicine, equine lameness and sports medicine.

Prior to college Callie competed on the hunter/jumper circuit. With studies taking more of her time, she has slowed down a bit and now enjoys horseback riding for fun and spending time with family, friends and her two dogs.

Next year Callie begins a one year equine internship at the Bend Equine Medical Center and hopes to complete a residency in large animal internal medicine. It is Callie’s hope that she will be able to contribute to the profession by bettering the lives of horses and by doing help the owners that love them further develop the human-animal bond.

If you would like to ensure that the medical future of the equine industry is in good hands, please consider a donation to the U. C. Davis Veterinary Scholarship Fund. Your donation can be in memory of someone, in honor of someone...or just because. Donations of any size are welcome.

PARADE

Thank you to all for making the State Parade and Awards Luncheon a success in Livermore. Paulette Webb and Mark Overby certainly went above and beyond in their organization of the event. I cannot thank enough out CSHA Royalty Group and their chair, Suzan Cunningham, for their help and participation. This year, Mr. and Mrs. Tim West provided CSHA State Patrol security for our participants and it was deeply appreciated. Judge Cindy North and her husband traveled from Los Angeles area to join Paulette Webb and Alice Lawellin in judging duties.

Several members who had entered the parade were unable to compete that day. Desiree Uzzell is recovering from back surgery. Patricia Selsor had her truck burst into flames the week before and Rhonda Ryan had her truck break down the day before the parade. Connie Hawkins broke her ankle before the parade—but she was there with crutches & Ed in tow. Mary Ann Reece while not entered is busy calculating when she can get on a horse again and Lorette from Merced County Sheriff’s Posse is doing great after knee surgery. We wish everybody speedy recoveries.

We are all coping with the heat and drought this summer. Thankfully the weather was near perfect for the California Rodeo Salinas Horse Parade and Grand Entry last month. Our CSHA Royalty Group. The Merced County Sheriff Posse, and myself all had a great time and were appreciated by the spectators along the route and at the track on the rodeo grounds.

Two important decisions will be made at the September Quarterly meeting in Santa Nella on the 20th. The host city will be selected for the 2015 State Parade. Also, the Parader’s Handicapped riding program applications will be reviewed and a winner will be chosen. Your input is needed for both of these items on the agenda. Sadly two CSHA judges Lin Thirion & Larry Durbin passed away recently and our thoughts and prayers go out to the families.

Candy Graham
This young man rode a small white horse or largish Welsh style pony in parades in the 1970s and we would like to locate him or his family to return some photos that Paul and Corky Fellingham discovered in a second hand book they purchased “somewhere”. Our best guess is that he was between 6 and 8 years old when this picture was taken which would make him about 43 to 45 years old now. As you can see, several of the trophies indicate “1977” and the championship ribbon indicates that he was the 1977 Future Horsemanship Western High Point Parade Champion. The championship parade was in Walnut Creek that year in September and he most likely participated and won as there is another championship ribbon and plate on the wall as well.

If you recognize this young man….or you are that young man…please contact Paulette Webb, paradejudge@comcast.net, P O Box 235 Clayton, CA  94517 or 925 672 7703. We’d like to get the photos back to him or his family.
