As we start 2016 CSHA is putting on a new face. The new website is under construction and will soon be up and running. This project needs current information from all of us. The Regions and Program chairs need to check their information and update it if necessary. Once the new website has transferred all elements from the old site, it will be taken down. Please contact Diane Offutt as she is meeting weekly with the web designer. This website is designed to meet the ever increasing information for all horse owners and riders everywhere.

We have some new State Officers and Program Chairman. Carol Grey is the new First Vice President, and Ron Jenkins is the new Southern Area V.P. The new Horsemastership chair is Linda Parham, and the new Royalty Chair is Renee Sorel.

I would like to congratulate our 2016 Miss CSHA, Kate Sorel and our Jr. Miss Mia Terry. They are both excited to represent our Organization.

We have a two pilot programs, the Ranch Versatility Program is extended two years in order to gather participation data. This program needs a chairman. The other program is “Obstacle Challenge” and the chairman is Gail Bloxham.

Our English Western program is gaining steam, but needs someone to take to the next level. I ask that everyone continue their valued input and contributions to this organization. You have a voice and a vote. The Quarterly meetings are for everyone, not just the Board of Directors or Program Chairs.

Stay safe and see you out there,
James Hendrickson
CSHA President
Hello CSHA Members,

My name is Kate Sorel and I am so honored to be serving as Miss CSHA 2016! I am a senior in high school, and will be attending the California Polytechnic State University (Cal Poly), San Luis Obispo next year. I have two horses: Gabby, an Appaloosa-Thoroughbred, and Bro, a rescued Tobiano Paint Horse. I was Miss CSHA Region Five for the last two years, and have also participated in the TRAP and the English/Western Programs.

I enjoyed meeting so many members at the CSHA Convention, and I am excited to connect further with all of you! It is my goal this year to aid in growing the program. I hope to visit each region, attend regional meetings, and meet with students in each area who might be interested in participating in the Royalty Program and the many other programs CSHA offers.

I would also like to introduce our Junior Miss CSHA 2016, Mia Terry. Mia is 12 years old, and enjoys participating in 4H and the CSHA Horsemastership Program. Her horse Buddy is a 14-year-old buckskin, Quarter Horse. She is so excited to attend the many events this year, including parades, Special Olympics, and Day at the Races with her fellow royalty members.

Mia and I have participated in three Christmas parades so far: the Walnut Creek Parade of Lights, the Pleasanton Hometown Holiday Parade, and the Woodland Parade of Trees. Also, an exciting addition has been made to the perpetual Miss CSHA awards. Rhonda Slack at Western Supply made us a beautiful pair of custom chaps to be passed down each year! I wore the new chaps at two of the Christmas parades and heard many people reading “Miss California State Horsemen” out loud, reinforcing our name.

Please let me know if there is any way we can support you or your region. We would be happy to help hand out awards, do a fly-by, or meet with any potential Royalty candidates.

We cannot wait to see what this next year brings!

Happy Trails,
Kate Sorel

**ROYALTY**

**SOC—BARN DECORATING**

Show of Champions Barn Decorating Contest

The theme was "A horse, a horse, my kingdom for a horse." The winners were:

- **Best Theme** Region 14
- **Most artistic** Region 5
- **Most original** Region 1
ROYALTY

Junior Miss CSHA 2014 Mary Homicz would like to thank everyone for the chance to represent CSHA once again in the State Royalty program in 2015.

Mary is doing well in her fight against Ewing's Sarcoma. Treatment should be over with in February.

Mary is again in Horse and Rider Magazine. She is in the December issue as the best act of kindness in 2015. So many horse people from around the country have reached out to cheer her by sending cards letter and gifts of all kinds. So many in CSHA have donated and sent gifts and craft projects to Mary, we cannot say thank you enough, and especially for the very special quilt she just received from the Royalty Program.

HORSEMASTERSHIP

We Want YOU for Horsemastership.

An educational program slowing for self study with the end result a scholarship. This educational opportunity is open to CSHA members of all ages, however, competition is separated into Juniors and Adults. The riding disciplines offered are English, Western and Gymkhana. Participation starts locally at the region level and finishes at the CSHA State Champion competition.

All participants shall take a written test based on pre-determined study material, and demonstrate proper grooming and handling procedure as designed for CSHA Horsemastership.

CSHA Horsemastership differs from other programs within CSHA; it requires both hard work to study the material, thus knowledge, and the ability to concentrate on prescribed patterns, thus patience.

As a past CSHA State Horsemastership Champion, there is no one better aware of the dedication needed than the current State Chairman, who has been involved in the program since 2001. New and, hopefully, exciting, things are in the making. Check the CSHA website for periodic updates and, of course, the newsletter for new press releases.

Details can be obtained from your Region chair, or from Linda Parham, CSHA State Chair, Tel. 530/547-4978 or Greta De Graeve, CSHA Vice Chair 916/681-6743. We can also be reached via email Linda at LindaDParham@msn.com and Greta at wienerkind@hotmail.com.
CSHA VICE PRESIDENT—CAROL GREY

Hello everyone, I hope you’ve all had a great holiday. I’d like to introduce myself as your 2016 CSHA Vice President. I’m Carol Grey, a long time member of CSHA. I have worked in various programs through the years, and this is a step in a different direction, and filling some mighty big boots left by my predecessor. I’ve spent the last few years as the Southern Area Vice President.

My biggest goal for the coming year is to try and build our membership to what it was in the past and to try and figure out how to retain and recruit CSHA members. I you have ant ideas or suggestions please call me, email me, snail mail, whatever is best for you. I’d like to say that CSHA belongs to each and every one of you and your opinion is as important to the growth of this organization as anyone else’s so please don’t hesitate to let me know your ideas.

I’d also like to say that the convention this year was terrific, this was my first trip to that part of California and I was very impressed by the hospitality of not only the hotel and casino staff but the local people in town were so helpful and pleasant, and it’s been a long time since I’ve been in an area that was so clean and no graffiti. I enjoyed my time there and hope you will all join us next year at the Jackson Rancheria. I hope to see everyone at the January Quarterly.

In the meantime ride safe and have fun,
Carol Grey, CSHA Vice President

OBSTACLE CHALLENGE—PILOT PROGRAM

CSHA IS EXPANDING WITH AN EXCITING NEW PROGRAM!

At this year’s State Convention the Obstacle Challenge Program was approved as a 3 year pilot program, with Gail Bloxham as the State Chairman.

Obstacle Challenges are a great companion to the Trail Trials Program utilizing both natural and manmade obstacles. An Obstacle Challenge is held in a smaller area such as an arena or open field.

Look for Obstacle Challenges in your region! They will be added to the new CSHA website.

For more information contact: Gail Bloxham 530-347-0212 or via email cottonwoodcreekequest@gmail.com
DRILL TEAM

We had a full house in November at the Drill Team Meeting & Judges Symposium at the CSHA Convention at the Jackson Rancheria. Most of our CSHA teams were represented. We reviewed the 11 resolutions that were adopted into rules for this coming season. The complete 2016 CSHA Rule book is available online on the CSHA website. The 2016 Compulsory Drill was released for teams to get to work on. After reviewing videos of a competition of two teams with very different approaches to drill, a different strengths and weaknesses, our panel of CSHA judges answered questions and provided insight into the shadowy world of judging drill. We ran short of time because let’s face it, when you get together a room full of people passionate about drill there is never enough time! Thank you to so many of you for taking the time to show up and be a part of the process.

Mark your calendar’s the dates are set: The California State Championship Drill Competition is April 29th—May 1st at the Diamond Bar Arena in Ceres, and the CA Coto Cup will be held Aug 7th at Horse Park at Woodside. In late January we will kick off the year once again with our Spring Raffle Fundraiser designed to help teams earn money to offset competition expenses. If your team would like to be a part of the fundraiser and have not already reserved tickets please let me know ASAP. The Drill Team Program is looking forward to another exciting year of competition by the very best drill teams in the state.

Jill Kraut—Drill Team Chair  jskraut@ca.rr.com

GYMKHANA—2015 Gymkhana Scholarship

In 2002 a $250 Gymkhana Scholarship was established. It is awarded annually at the State Championship Show. This scholarship is given to a junior Gymkhana rider between the ages of 14 to 17 competing at the SCS. Selection is based on Horsemanship, Sportsmanship, Respect, and Responsibility and is awarded to the rider who best demonstrates these qualities. This year’s winner is sixteen year-old Kylee Kuhlman from Yorba Linda (Region 12).

In Kylee’s own words “CSHA Gymkhana has benefited me because it has made me more confident in my riding ability and in myself. It has provided a safe, welcoming environment for me from my beginning competitive year with my horse Lexie to this year with my new project horse Boon. ...If it weren’t for CSHA Gymkhana, Boon and I wouldn’t have such a great opportunity to compete, improve, and strive to become the riders we are today.”

Congratulations to Kylee. We are confident she will go a long way in whatever career she chooses.

GYMKHANA—Miss Congeniality Award

This was Fawn Clafton’s and her horse Turtle, first year competing, in any sport. She faces challenges that make competing tougher for her than most. Throughout the season we taught her the courses, and she taught us how to enjoy an accomplishment many us have forgotten. She did not place in the Top 10 this year but received a special award. To recognize her infectious positive outlook and genuine warmth to her fellow riders the program decided to bestow on her the Miss Congeniality award. When we announced the award she was given a standing ovation from the spectators in the grandstand, and every rider was clapping and cheering. She may not have gone home with a Champion’s buckle (yet), but she is a CHAMPION in all of our hearts.
GYMKHANA - STATE CHAMPIONSHIP SHOW

The Gymkhana program has another successful State Championship Show under its belt with the close of the 27th annual show, which took place October 8-10 in Watsonville. Championship honours were up for grabs in 7 divisions. The much anticipated 2015 SCS did not disappoint with added prize money, superior ground, and custom awards. This year’s show offered $1400 in added cash pay-outs to the division champions.

The three day show is the culmination of the Regions’ point season shows. Riders compete in their Region’s program to qualify for a spot at the SCS. The event drew top qualifiers from eleven Regions. The combination of precise pattern execution coupled with edge-of-your-seat action as horse and rider combinations proved that dedicated training and practice result in success. They could not afford to make a mistake and be successful here.

The one thing that was overflowing at the show was fun. Smiles, laughter and mutual support were everywhere. There was a general positive atmosphere that settled into every crevice of the beautiful Santa Cruz County Fairgrounds. Some competitors say they are intimidated by this show. While others feel it’s a place where they feel ‘I can do this. In either case, From Division 7 to Division 1 the depth of quality was amazing.

It is easy to remember at events like this why we do what we do. From the broad representation of amateur competitors from across the State, to the exciting display of talent, we could not have asked for a better event. It helped too that show management was welcoming and efficient. From the gate to the office, people were willing to help. The show ignited an exciting spark that we plan to expand and grow upon for years to come.

Thank you and congratulations to every combination that competed. Win or Lose – if you gave it your all, you went home a champion!

Each year a Cloverleaf (table 2) jackpot is offered. The competitor does not have to be a SCS qualified competitor. SCS Qualified competitors may enter on a different horse. However, only SCS Qualified combinations are eligible to set a State Record. The combination does not have to be a Division 1 competitor to have a chance to win or place in a division. The division breaks are set so that even Division 7 combinations have a chance to take home a check. Like other jackpots, a downed obstacle is a disqualification. Unlike other jackpots, in this one the payouts are split.

On December 5th ~ a perfectly beautiful winter day ~ Region 2 members gathered for the annual Year-end Holiday celebration at Annie's Restaurant in Paradise where everyone enjoyed a yummy buffet dinner and dessert. President Charlotte Johnson recognized and honored her 2015 Region 2 officers and program chairs for their year long service. Charlotte was presented a beautiful belt buckle for her undying dedication to our region. Program Chairs then presented their committee members thank you gifts for their volunteer work helping to make their individual programs fun and successful. The Holiday festivities culminated with a fun rousing Christmas gift exchange.

2015 Officers
President - Charlotte Johnson
Vice President - Cindi James-Mc Elwain
Secretary - Pam Hartley
Treasurer - Barbara Taylor
Bylaws & Admin - Gary Hartley

2015 Program Chairs
Gymkhana - Barbara Taylor
Horsemastership - Becky Gage
Newsletter - Cheryl Caldwell
Reining - Joyce Pickering
Trails - Bob Gage
Trail Trials - Patty Walters and Chris Enos
TRAP - Jill Gard

Watch for our new slate of 2016 Region 2 officers, committee chairs and committee members to be featured in our report in future state newsletters as our programs and events progress in the coming year.

Region 2 wants to wish all CSHA members a very Merry Christmas and Happy New Year!

Happy Trails to you!
CSHA had hoped to present this plaque to Endurance Chair Audra Homicz at the 2015 Convention. She was unable to attend but Audra and her family have our deepest gratitude and keep them in our thoughts. The inscription reads:

**Audra Homicz**

*In recognition and sincere appreciation of your dedication as the Chairman of the Endurance Program*

*Under your Guidance and with your family’s support the Endurance Program has flourished. We also recognize your significant efforts to expand trails in Northern California. All done at a time of tremendous personal challenge for your family.*

*You and your family embody the true spirit of volunteerism.*

*November 2015*

Congratulations to long time CSHA Endurance Program Members Gail and Eric Hought on CC Maverick’s achievement of reaching over 5000 AERC miles!

Gist Silversmiths would like to thank Elk Grove Milling and Gist Silversmiths for their sponsorship in 2015.
ENDURANCE

Congratulations to CSHA Endurance Program members Jane Smith and My Anna on their completion of Gold Rush Shuffle 3 Day/ 155 Mile Endurance Ride outside of Wheatland, CA. For the 2015 ride season Jane and My Anna have completed 27 rides for a total of 1365 miles. My Anna has never been pulled from a ride since the start of her endurance career 5 years ago—My Anna has completed 3,000 AERC Endurance Ride Miles in 5 yrs and Jane has completed of 5,000 AERC Endurance Ride Miles in 10 years. They are working on being a AERC Decade Team in the next 5 years. Jane Smith is also the ride manger of the Run For The Gold Mariposa AERC Ride.

Thank you all that have participated in the California State Horsemen’s Association State Endurance Program Championships for 2015. The 2015 results will be emailed out and posted on the website and on Facebook after January 1st 2016. You must be a member of CSHA directly or through a CSHA club like Redwood Empire Endurance Riders or Mariposa Mountain Riders or Paradise Horsemen's Association to be able to sign up for CSHA Endurance program. All AERC sanctioned rides, even the ones outside California, count for California State Endurance year end Championship points. Thank you again for your participation, we had the most ever participants in 2015 (77 horse and rider combinations ) and hope we see more new faces for 2016!

Sign up form for the California State Horsemen’s Association Endurance Championships is here: http://www.californiastatehorsemen.com/endurance/endurance-program-application.pdf

To be able to participate you have to join and be a member of CSHA either via a CSHA club or as a direct member. Direct membership application here: http://www.californiastatehorsemen.com/Forms/csha-direct-membership.pdf

Here is the detailed information about how the CSHA Endurance Championship Program Works and what awards are available: http://www.californiastatehorsemen.com/endurance/endurance-how-the-program-works.pdf

Remember rides only count AFTER you sign up! Please get those renewals in ASAP to help pay for 2015 awards!

Message from Jane:

“Do what you love and do it often peeps. Seek and you will find that life is truly divine. Give thanks, share the joy, and spread the cosmic dust of love on everyone forevermore! Ride on!!!”

Jane & My Anna’s at the La Grange Ditch 50 July 4th, 2015

USEF

USEF Equine Vaccination Rule
Lexington, Ky. - In January, the USEF Board of Directors approved an addition to the rule book, which outlines equine vaccination requirements at licensed competitions. Beginning December 1, 2015, all horses entering the grounds of a Federation-licensed competition must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Due to several high profile Equine Herpes (EHV) outbreaks in recent years that have involved the neuropathic strain of the virus (equine herpesvirus myeloencephalopathy-EHM), some competitions have placed vaccination requirements on their competitors that go beyond most accepted medical opinions and raise concern that unnecessary requirements can potentially put a horse at risk.

The intent of this rule is to ensure that all licensed competitions comply with the vaccination guidelines for Equine Influenza and Equine Herpes (Rhinopneumonitis) published by the American Association of Equine Practitioners (AAEP). These guidelines are reviewed by infectious disease experts regularly, and recommend vaccinating competition horses at six-month intervals for both equine influenza (flu) and rhinopneumonitis (EHV-1 and EHV-4). There is not a vaccine that protects against EHM. Intended to promote proper vaccination protocols, this rule does not anticipate an increased workload for competition management. The flu vaccination information can be added to the documentation already required by most competitions: a horse’s health certificate and a negative coggins test. If you have questions regarding GR845 please contact the USEF Drugs & Medications department at medequestrian@aol.com or 800-633-2472.

GR845 Equine Vaccination Rule can be viewed in its entirety at https://www.usef.org/documents/drugsMeds/2016/2016GR08845VaccineRule.pdf

CDFA

Monensin Toxicity at a Horse Facility in Fresno County

CDFA Animal Health Branch (AHB) received a call from a private equine practitioner in Fresno County on Saturday, September 19, 2015 concerning four (4) horses exhibiting neurologic signs, primarily ataxia, at a local stable. The two (2) most severely affected horses died on September 19th and were necropsied at the California Animal Health and Food Safety (CAHFS) Laboratory in Tulare, CA on Sept. 20th. Initially, the private practitioner and AHB veterinarians had primary concerns of Equine Herpes Myeloencephalopathy and West Nile Virus as leading differentials involving the affected horses. As the investigation continued, it seemed unlikely that an infectious agent was involved and feed toxicity became the primary concern. On an ionophores screen, monensin was detected in the sample of pelleted feed and in the stomach contents of both horses. Feed samples were also submitted to CDFA Center for Analytical Chemistry Laboratory in Sacramento, CA to verify the toxic levels of monensin. On September 22, 2015 Western Milling LLC indicated they had a positive monensin test result from a quick test done on the horse feed in question. The feed company subsequently notified the U.S. Federal Drug Administration (FDA) and an investigation was initiated reviewing records and additional samples. Due to three (3) horse deaths at this point in time, on September 23, 2015 the horse feed involved was part of a Class I Recall. All of the recalled Western Blend Horse 50# lot 5251 was placed under CDFA quarantine, including the recalled bulk feed from the same lot. The majority of the feed had already been recalled by Western Milling LLC. To date, six (6) horses that consumed this adulterated product have died or been euthanized. CDFA continues to work closely with FDA on this investigation.

West Nile

West Nile Virus (WNV) hit the equine industry hard the end of August 2015. Since August 24, 2015, (17) cases of Equine WNV have been confirmed in California. The positive horses were located in the following counties; Contra Costa, El Dorado, Humboldt, Modoc, Riverside (6), San Joaquin, Santa Cruz, Shasta (2), Solano, Tehama and Ventura. All positive horses were unvaccinated. Horse owners should consult with their veterinary practitioner to ensure current WNV vaccination status of their horses. 4 of the 17 positive horses (ages 3, 7, 9 and 20) were euthanized or died. The age range in cases is 1.5 years old to 20 years. Interestingly, there is an increase in the average age; the average of confirmed cases reported is 7.4 years. Historically, the average of confirmed cases in CA has been 3-5 years. CDFA continually monitors and investigates equine neurologic cases for the presence of WNV in California. As a reminder, timely and accurate reporting of equine WNV cases by veterinarians is a valuable component of arbovirus disease surveillance and helps to direct mosquito control efforts designed to prevent WNV infection in both horses and humans. For the latest WNV confirmed case count and additional disease information visit http://cdfa.ca.gov/ahfss/Animal_Health/WNV_Info.html or http://westnile.ca.gov

The feed company subsequently notified the U.S. Federal Drug Administration (FDA) and an investigation was initiated reviewing records and additional samples. Due to three (3) horse deaths at this point in time, on September 23, 2015 the horse feed involved was part of a Class I Recall. All of the recalled Western Blend Horse 50# lot 5251 was placed under CDFA quarantine, including the recalled bulk feed from the same lot. The majority of the feed had already been recalled by Western Milling LLC. To date, six (6) horses that consumed this adulterated product have died or been euthanized. CDFA continues to work closely with FDA on this investigation.

West Nile

West Nile Virus (WNV) hit the equine industry hard the end of August 2015. Since August 24, 2015, (17) cases of Equine WNV have been confirmed in California. The positive horses were located in the following counties; Contra Costa, El Dorado, Humboldt, Modoc, Riverside (6), San Joaquin, Santa Cruz, Shasta (2), Solano, Tehama and Ventura. All positive horses were unvaccinated. Horse owners should consult with their veterinary practitioner to ensure current WNV vaccination status of their horses. 4 of the 17 positive horses (ages 3, 7, 9 and 20) were euthanized or died. The age range in cases is 1.5 years old to 20 years. Interestingly, there is an increase in the average age; the average of confirmed cases reported is 7.4 years. Historically, the average of confirmed cases in CA has been 3-5 years. CDFA continually monitors and investigates equine neurologic cases for the presence of WNV in California. As a reminder, timely and accurate reporting of equine WNV cases by veterinarians is a valuable component of arbovirus disease surveillance and helps to direct mosquito control efforts designed to prevent WNV infection in both horses and humans. For the latest WNV confirmed case count and additional disease information visit http://cdfa.ca.gov/ahfss/Animal_Health/WNV_Info.html or http://westnile.ca.gov
HUB International Insurance is proud to offer a unique specialty in insurance. Our Equine Specialty offers unique advice and solutions for a full range of equine exposures. With a 30+ year track record of underwriting and placing equine insurance programs, HUB's Equine Specialty is staffed by highly experienced insurance professionals.

We are proud to offer coverage for a full range of equine exposures including:

**Animal Mortality:** Full mortality with options for surgical expense, major medical expense, agreed value, loss of use and European coverage. We also offer limited perils.

**Equine Assisted Therapy:** We provide protection for a full variety of therapy models.

**Commercial Equine Liability:** Liability coverages for boarding, breeding, training, racing and teaching exposures. Any clinics or shows that are held are also covered with prior notice given to the insurer.

**Equestrian Centers/Farms:** We offer tailored packages combining property coverages for buildings, tack, farm personal property, machinery, hay and other related items and liability coverages for boarding, breeding, training, sales, clinics and shows.

**Additional Coverages:**

- Commercial Umbrella and Excess Liability
- Crime
- Commercial Auto
- Office Policies
- Workers Compensation
- Track/Equipment Floaters
- Directors and Officers
- Specialized Programs
- Fiduciary

What is California State Horsemen’s Association, Inc.?

CSHA was founded in 1942 for the purpose of fostering interest in all breeds of horses and forms of horsemanship throughout the state of California. CSHA has designed a wide range of programs which offer participants opportunities for growth and enjoyment regardless of their type of riding, breed of horse or experience level.

CSHA implements its programs via its 18 geographic regions throughout the State of California. These Regions have elected officers and appointed program chairs who volunteer their time to develop their respective programs and who represent clubs and individuals that participate in various programs offered by the Association.

CSHA Mission Statement:
“PROVIDING EQUESTRIANS WITH QUALITY, FAMILY-ORIENTED AMATEUR EVENTS, EDUCATIONAL PROGRAMS AND RECREATIONAL ACTIVITIES FOR ALL EQUINE BREEDS AND DISCIPLINES.”

CSHA is a non-profit 501 (c) 3 organization.
