Once again CSHA was well represented at Western States Horse Expo, Sacramento. Many Thanks to Russ, Stacey & Mullins Family, Greta, Carolyn, Brenda Duncan & Vicki, Graham Judge, Debra Waters, Rhona Doran, Kelly Bebensee and Andrew Turnbull. Joining us this year was Bay Area Barns & Trails - a vital working group in the bay area that strives to keep trails in use and accessible. Thank You Morris Older & Sarah Moore for helping out.

Thank you to everyone that gave time to be at the CSHA booth and talk to those attending Horse Expo. We are able to impart information on our programs & steer people to the correct contacts. It is an important venue for our Public Relations.

CSHA gives a Special Thank You to Tim & Lauren West, Jody Jones for devoting time to Horse Expo in their capacity as CSHA State Patrol members.

Another big Thank You to Pam Purdue for providing the hands-on daily demonstrations of the grooming segment for the CSHA Horsemastership program. Not only the demonstrations, Pam puts so much extra educational information and instructions into her talks that she is training the young minds in their early contact with horses. Thanks again for a great presentation that benefits so many. Greta was her assistant with visual materials and there were quite a few others helping to make this segment a success!

There are so many activities going on with our programs & clubs that is it hard to keep up with the busy calendar. We did enjoy the Dixon May Fair Parade & the Parade Program Awards Banquet in May and the re-dedication of the Martinez Waterfront Arena under the new lease & management of Region 5's Tri-Cities Horsemen’s Association.

Have a fun & safe summer. See you out there…………………Jim

DRILL TEAM—State Championships

The first weekend of May kicked off the Rodeo Drill season in California with the California Rodeo Drill Team State Championships at the Diamond Bar Arena in Ceres. The riders came bearing toys this year for our first ever “Toy Drive”. The toys had a special note added to them by the wonderful kids of the Pistol Annies Drill Team and then were presented to the Center for Human Services of Modesto to bring smiles to the faces of local children. Pistol Annies also sold raffle tickets for a Troxel helmet and donated the funds to the center along with the toys.

Grand entries along with the National Anthem presentation, each of the two mornings of competition, showcased all of the teams that would ride that day. Judges for the weekend included: Alice Lawellin, Patti Souza, Sara Curtis and Jonda Brooks-Lucido.

We added a new feature to the competition this year a “Ride of Champions”. This ride was a chance for the four division State Champions from 2017 to take a final bow together before the new 2018 State Champions were announced. Quad Champions Diamonds in the Rough, Junior & Grand Champion Blue Shadows, Mixed Champions Bits ‘n Bows, and Senior Reserve Champions Cool Country filling in for Sacramento Sheriff’s Posse came together to present a short drill presentation after a short 1 hour practice. Six riders from each of the teams filled out a team of 24. Because they are champions they were able to loped a drill they had walked through on foot and then practiced a few times through on horseback. The idea and the drill were well received and it looks like something we may add as a permanent part of the State Championship Competition.

So who will be in next years Ride of Champions? Diamonds in the Rough and Blue Shadows repeated as Champions of their respective divisions. Buckshot Beauties will ride as the Mixed Division Champions and Synergy as the Senior Division Champions next year. We also had open divisions of Novice won by Webb Ranch Cowgirls, Novice Quad won by the Pistol Annies, Compulsory division won by Bits ‘n Bows, and the Theme division won by Cool Country. Blue Shadows captured their 12th consecutive Grand Champion title with Buckshot Beauties named Overall Reserve Champions.

The awards were kicked off with the Toy Presentation, followed by the 2018 Spring Raffle Drawing. Congratulations to Sherri Zengota, she’s going to Disneyland with her family four pack of park hopper tickets she won. Don Ratey will be enjoying a 50" TV or other purchase he selects with the $600 Walmart card he won, and Nicole Noil will be filling up with her $300 gasoline gift card. We had a terrific record breaking raffle sales year with Firestorm Drill Team of Washington selling close to 2000 tickets all on their own. Thank you to everyone that sold and purchased tickets supporting our teams and programs of CSHA.

The very special “Robert Lorbeer Spirit of Drill” trophy was awarded to Ben Gibbons of Spurs ‘n Lace. He was nominated in an emotional-ly charged letter by team members that truly appreciate what they have in Ben. Even battling extreme medical issues this past year it’s not just about executing a perfect circle, he teaches them to be better people. Congratulations Ben!

Planning is now underway for the 2018 CA Coto Cup and Coto Foundation Educational Scholarship Competition at Horse Park at Woodside August 4th-5th, 2018. We hope you can join us.
A big thank you to everyone who has supported the horsemastership program this year. The selling of raffle tickets is going well but we still need to sell more by the end of June so if anyone would like to buy tickets please let me know. The raffle is for a pistol and you have your choice out of 3 handguns, a revolver or 2 semis.

Plans are being finalized for the End of Year Finals for Horsemastership which will be held in conjunction with the English Western program and the Royalty program on October 19 and 20th, at Brookside Equestrian Center in Elk Grove. I was able to visit Brookside and it is a great facility. There are several arenas including one indoor arena, a café, bar and snack bar and food is catered at a reasonable price. The facility also has plenty of stalls, lots of parking and camping areas as well as some RVs available for rent for overnight stays. There have been some great suggestions on how to make this a fun and memorable time for everyone. We are considering having a table decorating competition for banquet night which will be Saturday night and I believe Jane VanderWerf, Region 5 is working on a little good natured competition between Regions and will update us soon. So, to everyone going to State, we are working to make sure you will all have a wonderful time! If anyone has any other suggestions they would like to see incorporated into this event, I would love to hear from you.

Fundraising is going well but could always go better. I am also appealing to any Regions who might be in a position to support this extremely worthwhile and beneficial program and would like to sponsor a buckle, $135.00 or donate towards other prizes such as ribbons, medals etc. Let’s encourage these riders and reward their hard work. Regions, please let me know if you would be willing to help out. Also, any individuals and companies out there who would like to sponsor, thank you!!

I would like to say a big thank you to the following sponsors who have so generously donated:

- Above and Beyond Vet, Jen Powers
- Palo Cedro Riders
- The Real Estate Group – Cassie Gibson
- Larry Watts DDS
- State Farm Insurance, Kregg Spafford
- Excel Roofing – The Workmans
- Debra Waters

Keep up the hard work everyone.

**FLAG PROTOCOL**

If you feel magnificent when astride your horse you will feel absolutely majestic mounted with an American flag in your hand. Carrying the American flag also carries with it an inherent responsibility to respect the honor enough to make sure you are attentive to the proper handling and protocol regardless of the event or circumstances which you are bearing it at. The flag represents the living country and is to be regarded as a living thing deserving the highest honor.

So how do we honor our flag correctly? Here are a few things to know: No other flag may be larger or fly higher than the American Flag. The Flag should be carried on a pole tall enough so that the rider can see under it without dipping the pole. A typical 3x5 flag should be carried on a 8’ pole, a 4x6 flag on a 10’ pole. Neither should a flag precede the American Flag. If flags are carried by riders on horses abreast the American Flag must be on the far right with all other flags to the left (a rider with no flag may be on the right of the American to act as a guard). In a column the American Flag must be in the lead. No other flag should exit the arena before the American Flag. The flag should never travel backwards as this denotes retreat. The American Flag does not dip or salute to anything or anyone. If you are carrying multiple flags in order of deference from the right should be the American, the California flag, The CSHA flag, a Club or Region flag, then Sponsor flags.

**Flag Carriage:** The manner in which the flags are carried is termed “flag carriage”.

- The flag is carried on the right side of the horse.
- Shafts must be perpendicular at all times. Never leaning.
- Forearm should be parallel to ground.
- Elbow should be flexed at a right angle and kept in tight to the body.
- The finial should point forward. Eagles flying forward, spears cutting the wind,
- Flags should be kept free and not allowed to wind around a pole or rider.
- The American flag never dips or salutes anything or anyone.
- The bottom edge of a flag in flight should be a least 6” above the rider’s head.
- The flag should be carried by experienced riders and horses only.
- If the flag is dropped it should be rescued and returned to its position immediately.

The Sacramento Sheriff’s Posse presents a proper Color Guard.
PARADE—State Parade 2018

A big thank you to all of you for supporting the State Parade and Awards luncheon in Dixon May 12th. The 143rd Anniversary of the Dixon May Fair was a perfect setting for our event with a large enthusiastic crowd and very beautiful weather for the parade.

The banquet was held at Judy’s Wild Wrangler Saloon. The donated silent auction items were outstanding and all of us went home with something. Co-Chairs of the event were Judy West and Gail Barnett of Vacaville. In attendance were Mr. Jim Hendrickson, CSHA State President, and his wife Carolyn, Region 5 President. They both also participated in the parade which featured sponsorship banners with each equestrian entry. CSHA Central Area V.P. Andrew Turnbull attended and also recorded the parade and banquet.

CSHA State Patrol Chair Lauren West and her husband Tim, Northern Area V.P. traveled from Fieldbrook to provide security before, during and after the parade. Thanks to longtime parade Lonnie Sloan of Lower Lake for making the trip with her family and friends. Lonnie rides a beautiful black mare and she organizes several Lake County parades to be CSHA sanctioned each year. Michelle Leal was a crowd pleaser in her red, white, and blue attire and was awarded first place in Plain Western Class.

Judges for the equestrians were Alice Lawellin of Manteca, and Cindy North of Riverside with their clerk being Cindy’s husband Fred.

The Dixon Fair Sweepstakes was earned by the Merced County Sheriff’s Posse. The Chamber of Commerce People’s Choice Trophy went to Candy Graham of Madera. Our Perpetual Award Winners this year were as follows:

- The Dino Horse Award—*Chance* owned by Gail Barnett
- The Bob McMackin Punch Bowl set—Judy West & Gail Barnett
- The Scheurer-Standley Sweepstakes Trophy—Candy Graham
- The Hank & Alice CSHA Junior High Point Award & Buckle—Payton Gillians of Tracy
- Overall High Point Senior Buckle—Connie Hawkins from Columbia

Our next Quarterly meeting will be Saturday, July 21st, at the Hotel de Oro in Santa Nella from 1-2pm. Presentations will be given from cities offering to host the State Parade in 2019. Please attend to present your offer and vote your choice that will be made at this important meeting.

In closing, thanks again for your support of your Parade Program. Judy & Gail obtained so many local sponsorships from their area this year. Each and every one of you supported the event with your donations, raffle items, and raffle ticket sales earlier this year. With the donation of the six sterling silver cups to the Bob McMackin Punchbowl Set by Rick and Juanita Ellington, the special award can continue to be earned by another outstanding person in the future -- YOU.

Happy Trails, and I will see you at a parade somewhere very soon.

Candy Graham, CSHA Parade State Chair

HORSE EXPO

Horse Expo took place June 8-10th at Cal Expo in Sacramento. CSHA was well represented from the moment visitors entered they were greeted by CSHA’s CA Cowgirls drill team who also provided performances later in the day. Our CSHA booth was colorful, informative and staffed by our dedicated crew. Outside our Horsemastership demonstration showed a piece of what we do. There were clinics, the Magnificent 7 Stock Horse Championships, The Art of the Horse exhibit, Barrel Races, Trail Symposium, and the Young Rider Park. Thank you to all of the CSHA members that spent three days representing CSHA so well.

Region XI Equestrian Trails Patrol supports The Jurupa Valley Pro Rodeo

The Jurupa Valley Pro Rodeo was formed to bring back the long running rodeo that was originally formed in 1976.

The Jurupa Valley Pro Rodeo is a community rodeo. Formed to provide numerous benefits to the Community of Jurupa Valley by way of education and improvements to the area equestrian parks, local community groups and organizations.

Jurupa Valley Pro Rodeo are used to support area non-profits. it promotes equestrian groups, supports youth and senior programs and works together to continue the livestock and rodeo history of Jurupa Valley.

The Rodeo was brought back in 2016. The Rodeo Committee reached out to Region XI, Equestrian Trails Patrol to facilitate the general parking. ETP stepped up and has been supporting the Rodeo, for the last three years. It is we pride that this group commits to the community, to promote and maintain the Equestrian heritage and lifestyle.

Region XI Equestrian Trails Patrol; patrolling the trails, supporting the community.
Hello CSHA! Royalty is off to a rolling start with Region 18 Little Miss Gracie, Little 1st Princess Emilia and TJ going to the Cottonwood and Redding Parades. They looked awesome representing us and winning first place in their category's.

As of right now we only have one region with kids running and that would be Region 18 with Senior Miss Mary Homicz, Little Miss Gracie Lewallen and a Little Ambassador TJ Lewallen. I wish them luck and can’t wait to see them the weekend of October 20th at Brookside Equestrian for the year end awards, which will be held with Horsemastership and English Western. So Excited!

Sherry our region 18 chair stepped down to move closer to family. I wanted to thank Sherry for all her help she was great and will be missed. Sherry said she’ll will come visit with the girls because she is still in the region 18 area. The torch has been passed down to Tish Lewallen. I look forward to working with Tish, so we can keep Royalty going. We are still open for other regions to join us, you can reach me any time.

Royalty is looking for Sponsor if anyone would like to donate for awards and scholarships. I would also like to thank the CSHA Drill Team and Jill Kraut for donating 100.00 worth of the tickets I sold. It was greatly appricated. Now we have 100.00 balance. We thought Royalty had 1900.00 left over from last year budget, but no State Royalty Chair to ask for it to be carried over and went to general fund (bummer). I will be working on sponsor for the kids. With me luck!

Went to Horse Expo to pass out CSHA flyers Saturday-Sunday with Region 18 chair Kelly Bebensee of Horsemastership and State Chair Debbie Waters of Horsemastership and meet a lot of new people hopefully they will come have fun with us at all of our CSHA disciplines.

I hope to see you all at the CSHA Quarterly in Santa Nella, CA July 21. Would love to have more regions for Royalty. Take care Rhona

Miss Rodeo CA Contestant—Jackie Scarry

Longtime Region 18 and former Redding Junior Rodeo Association member Jackie Scarry is running for the prestigious title of 2019 Miss Rodeo California. As members of the RJRA Drill Team, Jackie & her sister Joce, participated in several State Championship events and CA Coto Cups before aging out. In 2014 as a budding artist one of Jackie’s watercolors was selected to hang in the U.S. Capitol and was also featured as the back cover of our 2014 Coto Cup program. In 2017 she was selected as the 2017 Miss Redding Rodeo, a role she had coveted since she was a very young child. July 15th she will be one of the clinicians at the CSHA Royalty Clinic hosted by Region 18. Jackie is also assisting with a public service campaign that CSHA is currently working to put together.

Experiencing the role of 2017 Miss Redding Rodeo was one of the most memorable times of her life. During her reign she traveled over 10,000 miles, attended 19 different rodeos across three different states, rode in nine local parades and made over 100 appearances at various meetings, events, socials, fundraisers and community events, bringing awareness to the sport of rodeo and the western way of life. Born and raised in Shasta County, she is currently employed at Boot Barn and attends Shasta College, taking general education classes with plans of transferring to Chico State to major in Administration of Justice with a minor in Photo Journalism.

This coming October she will compete for the title of Miss Rodeo California 2019 in Lancaster during the California RAM Circuit Finals! The last Miss Redding Rodeo to make this journey was Josey Kelley in 2005 and our only Miss Redding Rodeo to ever win the Miss Rodeo California title was Jennifer (Balma) Harrison in 2000. Jackie is hoping to bring this prestigious title back to the north state in 2019.

To help fulfill her goal of competing for Miss Rodeo California, she is seeking sponsors. A sponsorship can come in many forms and will be utilized in various ways to help offset the cost of competing. Each sponsor will be advertised in the official Miss Rodeo California pageant program and throughout the year on various social media outlets. If you or your business would be interested in becoming one of her sponsors to help her on her journey competing for 2019 Miss Rodeo California title, please contact Jackie to discuss further details.

We wish you the best in your bid to become Miss Rodeo CA, Jackie!

CENTRAL AREA—LIVERMORE PARADE

I grew up in Livermore, CA in the 1960’s and 70’s. Each June, my parents would bring my older brother and me to the Livermore Rodeo Parade. I am pretty sure I would have been there in a stroller in 1962, but I remember walking in the annual parade with the Livermore AquaCowboys swim team when I was about eight years old, and marching in the parade with the East Avenue (middle school) and Granada High School marching bands.

At each Livermore Rodeo Parade, I recall watching the horses. Seeing or participating in the Livermore Rodeo parade sparked my passion for horses so it meant something to me for CSHA to be represented in the 100th Anniversary Rodeo Parade. I organized the California State Horsemen’s Association entry in the historic parade and began encouraging all CSHA members including Direct and CSHA Club Members from anywhere to join us in Livermore.

Jane Vanderwerf of CSHA Region 5 Horsemastership and CSHA Club, The Equestrian Center of Walnut Creek, stepped up to help and with her enthusiasm, we had the flags we needed, participants we needed, and decorations we needed to show a bit about what CSHA is about.

At each announcing stand along the parade, we heard, “Since 1942, the California State Horsemen’s Association has provided equestrians with quality, family-oriented amateur events, educational programs and recreational activities for all equine breeds and disciplines. CSHA celebrates the 100th Livermore Rodeo Parade with this fun ride through town!”

Jane Vanderwerf carried the US Flag on her horse Buddy. CSHA Royalty’s Ginny Heron ponied her palomino mini horse draped with a CSHA blanket while dressed in her Little Miss CSHA tiara and sash. Ginny’s Mom Catherine carried the California Flag. English rider Jeanie Wiegand of CSHA Club The Equestrian Center of Walnut Creek rode her Oldenburg Warmblood, Sunny & I carried the California State Horsemen’s Association flag, CSHA Family member Trew Green-Mills (13) carried the CSHA sign, CSHA Family member and Gymkhana Lead-line rider George Corwin (5) rode on Grandma René Turnbull’s (Member of the board of Directors for the Equestrian Center of Walnut Creek) CSHA Trail Trials and Obstacle Challenge Horse Astro on lead line. Carey Lee Oberti and her family carried CSHA signs in the entry, and CSHA Trail Trials and CSHA Obstacle Challenge competitor Ellen Liebenberg brought parade veteran and crowd favorite Rowdy The Goat!

Everyone reported having a great time. We were surprised to win the Novelty Horse class and received a trophy from the Rotary Club of Livermore which sponsored the event. That was simply a bonus. After all, we were all there purely for the enjoyment of being with our horses and friends and family in the historic parade.

There were a few minor expenses like entry fees, insurance, and materials. Region 5 Trail Trials was kind enough to fund CSHA’s parade entry.

In addition to fully supporting our competitive State Parade program, we can also continue to bring our casual “wear what you wear when you ride in CSHA” entry to more parades. It’s great fun and as CSHA Parade riders we just might inspire another like me to come to love horses. We will also continue to let everyone know that our statewide organization is here for the horse, the people that love them, and recreation for both.

May the Horse be with you,
Andrew

CSHA Equine Advocacy  by Andrew Turnbull

Recently, I got to hang out with two fellow passionate horse people: CSHA’s Jane Johnson VanderWerf and 4H’s Cara Rubin who recently completed her Emerald Star project by putting on a special event at the Equestrian Center of Walnut Creek (ECWC). Cara invited me to her event to speak on behalf of CSHA and I was impressed by this young 4H’er. Last night, she gave me a Thank you note for representing CSHA at her special event. Cara is finishing her junior year of high school at Monte Vista.

The venue was City Hall in Walnut Creek and the meeting was Park, Recreation & Open Space Commission. This commission has a big hand in the future of the Equestrian Center of Walnut Creek which is not only a location but also the home of an active CSHA Member Club and 501C3 of the same name (www.ecwc.org).

It turns out, there are some people who think that Bocce Ball courts are more important than a horse arena.

Actually, that might be a reasonable conclusion when city leaders think that no one is actually using the horse arena.

For both my horsey and non-horsey friends, the ECWC features two high-quality outdoor horse arenas in Walnut Creek’s beautiful Heather Farm Park and it is secluded way in the back. There’s maybe one or two discrete signs to it, which means pretty much nobody knows it’s there unless you ride horses. It’s been there for 50 years and the club members keep it in great shape.

Our objective is to get the Equestrian Center into Walnut Creek’s Master Plan. My brother lives in Walnut Creek and says we may have an uphill battle.

Cara, the teenager, spoke just before me at the meeting. She wore her uniform. 4-H leaders develop strong public speaking skills and Cara is definitely proof of that. She covered the substantial agenda of events happening at ECWC this year.

Jane and I agreed that it was the moment when the 17-year old paused, touched her own heart, looked straight at the commissioners and said, “The Equestrian Center of Walnut Creek is very special to me…” is the one that will stay in the commissioner’s memories.

I was up next to speak and the time limit is 3 minutes during the open speaker forum agenda item. My friends know that 3 minutes is like a nanosecond for me when I have a microphone in my hand. In fact, my wife won’t even let me touch a mic she’s holding for fear of never getting it back. Nevertheless, I brought prepared written remarks and practiced delivering them in less than 90 seconds. We have chosen to be proactive, positive, and to speak and write on behalf of this 50-year-old horse facility by letting leaders know what all is going on there. Jane said that we both made a difference. The three of us went to dinner to celebrate. Great conversation followed. I love hanging out with people of all ages who share the passion.

This is the message I delivered at the Walnut Creek Park, Recreation, and Open Space Commission meeting at City Hall June 4th, 2018:

My name is Andrew Turnbull and I am Central Area Vice President and a member of the board of directors for the California State Horsemen’s Association, a 501C3 non-profit organization. In 1942, our organization was formed by eight horse-clubs that came together on behalf of the horse, the people that love them and recreation for both.

CSHA is proud to include your Equestrian Center of Walnut Creek in Heather Farm as an active member club of our statewide equine recreation and education organization.

This year, our CSHA Region 5 Gymkhana program hosted five of its competitive speed events at your beautiful facility in Heather Farm, and in July, your Equestrian Center of Walnut Creek will welcome our newest CSHA Sport, Obstacle Challenge, in which the horse and rider learn to be calmer, smarter, and braver by taking on challenging obstacles.

Last Summer, my wife and I had the honor of giving a live demonstration at your Equestrian Center on how my three-time State Trail Trials Champion wife and her horse Astro prepare for competition. We were pleased to see City Council member and former Mayor Loella Haskew in our Saturday morning Wonderful World of Horses audience.

California has more horse owners than any other state in the union and most of them like my wife and I own horses for recreation.

Secluded in its beautiful pastoral setting, may your Heather Farm outdoor arenas continue to be the forever home for our CSHA Member Club, the Equestrian Center of Walnut Creek and may it continue to welcome recreational riders and their horses from all over the state.

May the Horse be with you!

My closing “Irish blessing” drew a chuckle from the Commissioners and the audience.

Shoreline Riders Inc.
Lowell Felkins Overnight Trail ride
July 20, 21, 22, 2018

Shoreline Riders Inc. was founded in 1961, when a small group of founding members purchased five acres of land on Turner Road. They built a club house and an arena; that is still used today. Shoreline Riders Inc. is operated as a non-profit corporation that is governed by an annually elected Board of Directors. Any and all funds raised are used to maintain and operate the Turner Road facility.

Annual Overnight Trail Ride

The Annual event was started with the same group of founding members. Today we strive to keep the club's history and heritage alive. We seem to struggle with more rules and regulations than they did. However, Shoreline Riders Inc. is proud to still be riding on the same trails and offering similar accommodations that our founding members utilized.

Please join us for our Annual Overnight Trail Ride Weekend

Bring the family for a fun-filled weekend. We are excited to be offering some new additions this year; please help us spread the word!

THIS IS A MODERATELY CHALLENGING RIDE. WE RECOMMEND ALL RIDERS BE SHOED (BOOTED) FOR ROUGH TERRAIN AND IN GOOD PHYSICAL CONDITION. *EVERYONE must be pre-registered. Please do not invite people to the camp without pre-registering and paying in advance.

All riders under the age of 18 must be accompanied by a parent or legal guardian at all times.

DIRECTIONS: Highway One, 7 Miles N of Fort Bragg. East on Ten Mile Haal Road (past 10 Mile Camp One rd), 4 miles to Camp. This is an ACTIVE LOGGING ROAD; use caution and drive slowly. ABSOLUTELY NO ACCESS ALLOWED UNTIL 5 PM FRIDAY - trucks will be running and have the right of way.

What is California State Horsemen’s Association, Inc.?

CSHA was founded in 1942 for the purpose of fostering interest in all breeds of horses and forms of horsemanship throughout the state of California.

CSHA has designed a wide range of programs which offer participants opportunities for growth and enjoyment regardless of their type of riding, breed of horse or experience level.

CSHA implements its programs via its 18 geographic regions throughout the State of California. These Regions have elected officers and appointed program chairs who volunteer their time to develop their respective programs and who represent clubs and individuals that participate in various programs offered by the Association.

CSHA Mission Statement:
“PROVIDING EQUESTRIANS WITH QUALITY, FAMILY-ORIENTED AMATEUR EVENTS, EDUCATIONAL PROGRAMS AND RECREATIONAL ACTIVITIES FOR ALL EQUINE BREEDS AND DISCIPLINES.”

CSHA is a non-profit 501 (c) 3 organization.
