At the upcoming Quarterly I will be chairing a meeting for “Trails” This has existed as a program but with no real mission. It has been a passive aspect of the association without focus on any particular aspect aside from general guidelines for riding.

The expansion of this committee has come about in answer to some Trails meetings in Region 5 regarding the Walnut Creek Open Space; changes to trail designations and expansions for bicycles.

What was evident is that CSHA does not have a collective group to address concerns around the state. Issues come to the attention of my office however many times they have progressed to the “alert” status on a Monday with a crisis gathering of the troops on Wednesday night for a city/county meeting.

While this is a broad example it happens too often! The reality is that many trail users do not know who manages their trails and has the authority to make changes. Changes are made public but if the “public” is not tuned into the controlling entity they will have no means to monitor these changes.

There are valuable resource people and groups throughout California that we hope to tap and collaborate with. One goal is to update our goals and develop video presentations on trail-use that can be posted to the website for shared use.

CSHA can provide some useful tools and resources to those taking the lead trail preservation, construction and maintenance. Outside organizations and groups are welcome to collaborate and share ideas. This will be an ongoing project for our organization.

Ride safe……….see ya out there…………….Jim
ROYALTY

The California State Horsemen’s Association is looking for Regions and Candidates for our 2018 Youth Royalty program.

Are you an equestrian between the ages of 7-17 that is interested in an exciting opportunity to share your love for horses while representing a fun, family-oriented organization?

California State Horsemen Royalty representatives hold the honor of a one-year title that enables them to develop their interpersonal, social and presentation skills as they grow in areas of leadership and responsibility. Earning a royalty title reflects an individual multifaceted accomplishment not only as an athlete in the arena of horsemanship but in public speaking, writing, poise, knowledge and social skills. Contestants are judged in four-phase contest. Skills in equitation through a riding pattern, a speech, written test and interview by panel are each part of the criteria.

Competitions are held at both the local Regions and State Levels. In addition to prizes and perpetual awards at all levels, Senior and Junior Level Royalty receive college scholarships that are awarded in their name, directly to the college of their choice.

Royalty are the spokespeople and representatives of the CSHA organization. Our titles provide an excellent point of recognition on other Queen competitions, college and job applications as well as resumes. You participate in statewide events including parades, horse show, meetings and conferences, as well as a variety of community service activities.

Region and State Titles Awarded:

Girls:
Little Miss 7-10
Junior Miss 11-13
Miss CSHA 14-17

Boys:
Little Ambassador 7-10
Junior Ambassador 11-13
CSHA Ambassador 14-17

Looking forward to hearing from you!

DRILL TEAM

The 2018 State Championship Drill Team Competition is May 5-6 at the Diamond Bar Arena in Ceres. Welcome Webb Ranch Cowgirls, under the direction of Sara Esquivel, as she brings both a full team and a Novice Quad team to competition for the first time. Webb Ranch Cowgirls hail from the Bay Area in Woodside. We also welcome back Stanislaus 4-H after a few years away. We are thrilled to have you attending.

Those of you in our sister CSHA programs know how difficult it can be just to deal with getting you and your horse to a competition, well multiple that by 12 or 16 times and you get the idea of the troubles teams experience getting ready to attend a competition. Just getting a team to the event is half the battle. So good luck and safe travels to all of our teams as they head to the Diamond Bar Arena!

Our Spring Raffle was a huge success and teams earned credit towards their competition expenses and secured money to continue to build our program. One new CSHA team that earned money is Firestorm from Washington. Firestorm will be making the long trip down to compete at the 2018 CA Coto Cup in August at Horse Park at Woodside.

PARADE

May has a full schedule including the State Parade and Awards Banquet, Saturday May 12th, in Dixon. Even if you are unable to ride in this parade, we hope you are attending the Awards Banquet afterwards at Judy’s Wild Wrangler Saloon in Vacaville.

Saturday, April 21st, was the CSHA Quarterly meeting at Hotel De Oro in Santa Nella. The Parade Committee met to discuss final preparations for the State Parade and accumulated the raffle tickets to be turned in. Thanks again to everyone that participated in our fundraising and good luck at the drawing May 6th at the Diamond Bar Arena in Ceres at the State Championship Drill Team Competition.

In Closing, we can all make the Parade Program worthwhile by searching for new or past members. Over the years, we have enjoyed riding our horses in parades and making long-lasting friendships. Let’s keep the tradition going for many more years to come.

Candy Graham
CSHA Region, Programs, and CSHA Clubs Partner-Up for the Horse

By Andrew Turnbull

When city leaders perceive that a municipal property is unused and another applicant make requests to the city to use that property differently, the leaders tend to let someone else take advantage of the public space. Why wouldn’t they?

Meanwhile, most of us horse people simply want to enjoy our precious time with our horse(s) and rarely even think of keeping city leaders advised of how much we are using equine arenas and trials.

It’s a recipe for disaster for horse recreation.

In Walnut Creek, CA, there is a hidden gem for horse enthusiasts in the city’s beautiful Heather Farm Park known as the Equestrian Center of Walnut Creek (ECWC). The sixty-year-old center features two large outdoor arenas nestled in a quiet rural park setting. An organization by the same name operates the center and is an active CSHA Member Club in Region 5 (which includes both Alameda and Contra Costa Counties).

Jane Vanderwerf earned her title as “Horse-Mom” raising her multi-scholarship winning CSHA Horsemastership and English/Western competitor daughter, Kelly Vanderwerf. Kelly now studies at San Diego State University. When Kelly left for college, Jane stepped up to chair CSHA Region 5’s Royalty program and now leads its Horsemastership Program. Jane is also a former President of the Equestrian Center of Walnut Creek.

In the current Master Plan for Heather Farm, the historic horse facility would be turned into a corporate picnic area. Seeing that, recently a group proposed that the picnic areas should become Bocce Ball courts. In response, ECWC’s former leader rallied her fellow CSHA Region 5 program chairs and members to attend a July 2017 Walnut Creek City Council meeting. Through Vanderwerf’s contacts in CSHA and local CSHA Clubs, she recruited twenty-five equestrians who arrived to the council meeting wearing riding attire. Equestrians from nearby CSHA Member Club San Ramon Valley Horsemen’s Association, CSHA competitors, members of 4H and Pony Club, some empty nesters new to horses, some lifetime horse owners, and even ECWC’s youngest member showed up clad in boots-and-jeans to the city council meeting.

Local high school student and Junior Miss CSHA Mia Terry drew the City Council’s attention wearing her title sash and her royal outfit featuring a tiara on a white cowboy hat. Meanwhile, Elizabeth Hudson wore her East Bay Regional Parks Mounted Patrol outfit during her public remarks, and four-year-old rider George Corwin napped in her equestrian grandpa’s arms during the open mic speeches to the smiles of the City Council members.

During Vanderwerf’s address to the city council, she quoted long tenured ECWC member, Shane Doherty in saying, “Pay attention Walnut Creek. Pay attention to the outstanding cities of the world: New York has Central Park; San Francisco has the Polo Fields and the Equestrian Facilities in Golden Gate Park.” In encouraging the Council members to solidify plans to keep ECWC at Heather Farm, Vanderwerf implored the city leaders, “Don’t rush to destroy what is very, very special right here. Let Walnut Creek keep its Equestrian Center.”

Since that city council meeting, the Equestrian Center of Walnut Creek’s board and its members have stepped up efforts to host high profile public horse-related events at the center including Day of the Horse in December, and during the first four months of 2018, ECWC provided its high quality outdoor facility to CSHA Region 5 Gymkhana to host its “Bling” series. Events are not only publicized on the club’s www.ecwc.org website, but also on social media. Email letters addressed individually to each city council member and the city manager feature pictures of happy riders enjoying the Equestrian Center of Walnut Creek.

Continued on next Page
It was eight horse-clubs that joined together to form CSHA 76 years ago to foster interest in all breeds of horses and forms of horsemanship throughout California. Three-quarters of a century later, the story in Walnut Creek demonstrates how CSHA members, its programs, and its member clubs continue to partner together to ensure the horse and rider have great places to ride in California.

Region 5 Gymkhana Chair Gina Pepper thanked the Equestrian Center of Walnut Creek for hosting its 4-show Bling Series and declared that her group is looking forward to the, “2018 CSHA Region 5 Spring Stampede Gymkhana event on Saturday, April 28th at the Equestrian Center of Walnut Creek.” The CSHA Member Club’s board is listening closely to its customer to ensure that the arena footing is right and the grounds are suitable for welcoming its Gymkhana guests. Meanwhile, the Gymkhana announcers remind guests to shop at the snack bar to support its host.

The future of the Equestrian Center of Walnut Creek will remain in question until the City Council heeds Jane Vanderwerf’s public call to put the existing riding arenas in the Master Plan for Heather Farm Park.

To avoid the disaster of losing rights of way, horse enthusiasts must remain visible and vigilant so that governmental land stewards realize that equestrians are actively enjoying the equine arenas and trials. In Alameda and Contra Costa Counties, Region 5 horse enthusiasts from multiple equine sports and activities are partnering up with CSHA Member Clubs to maintain a higher profile with local leaders and to work together to protect the horse, the people that love them and to continue to provide quality recreation for both.

ENDURANCE

CSHA Inc. State Endurance Program members My Anna and Jane Smith went to the 3 Day/ 155 Mile “XP Multi-Day Endurance Ride” Awards Event last weekend at the Cayuma Ride. If you ride endurance, and have never done an XP Ride, please look into it—they’re the best! https://xprides.com/rides/ A highlight to this ride is that Jane got to share 25 miles of it as an AERC mentor on one day with her friend Stormy Knight on her Arab gelding, Pico. My Anna and Jane only participated in 2 days for 100 miles. Jane was blown away that her “no baloney champion pony” was the only one to receive the XP Gold Medal Award for 2017. Numerous others received the Bronze & Silver. “The Gold” is given to anyone who rides 1000 XP Miles or more on the same horse in a year. My Anna did 1260 XP Multi-Day Miles in 2017.

Jane received an awards plaque, jacket, hooded sweatshirt and vest from the XP Club; My Anna will be getting an awards blanket in the color blue—the XP Club is VERY generous! Jane is beyond words for the love and admiration of having this “once in a lifetime” little horse of hers. Her height is 14 hands, so she truly is a pony. When they got home from the XP ride she found two AERC 2017 Awards in the mail: A plaque for placing 3rd in the Nation in the Senior Division and a plaque for My Anna placing 8th in the Nation for AERC points calculated by racing and not mileage. My Anna and Jane ride far and endeavor not to race. However, Jane did receive an XP Awards jacket for My Anna having “The Faster Time Overall” at the N. Rim of the XP Grand Canyon’s 5 Day/ 250 Ride last year.

In addition to all this Jane and My Anna were the 2017 Champion Lightweight in CSHA Inc. State Endurance Program. Ride on Jane and My Anna!

We have had a lot of response about our Reining shows. I have talked to several riders at our last show on Feb. 10th and they all loved it. Mike Silva made a report to the WCRHA Board of Directors and said our show was well attended and was very well run. We do need sponsors for our Champion and Reserve Champion buckles. We have added Ranch Riding classes and so we will need more buckles than we had in the past. Please contact Joyce Pickering at (530) 529-1305 if you want to sponsor a buckle. Our next reining show is May 19th.

Well Mother Nature has not been so kind to us this month. We had to cancel the Trail Trial and Clinic slated for the Paradise Horsemens’ Arena on 4/7 due to rain. Red Dog Acres came to our rescue and offered their ranch for Sunday May 13 to make that ride a two day event which will make up for the cancellation of our clinic and ride in Paradise. Well after bugging Laura enough she finally got me the Equestrian Trails Patrol newsletter put out by Helen Johnson. She does a great job. ETP will be having a ride in Hidden Valley May 20th from 9:00am—1:00 pm to reconnect and socialize. The ride will be followed by lunch set up by Rachel Smith And Helen Johnson. ETP is making a push for new members and currently approved a membership drive in hopes of boosting their numbers. ETP will pay half the cost of membership for a new person. If the new person renews with ETP, ETP will pay half the cost of the renewal membership for the person that brought the new member into the group for the following year. This seems to be a win-win for all parties!

Lowell Felkins Overnight Trail Ride
July 20, 21, 22, 2018

Shoreline Riders Inc. was founded in 1961, when a small group of founding members purchased five acres of land on Turner Road. They built a clubhouse and an arena; that is still used today. Shoreline Riders Inc. is operated as a non-profit corporation that is governed by an annually elected Board of Directors. Any and All funds raised are used to maintain and operate the Turner Road facility.

Annual Overnight Trail Ride
The Annual event was started with the same group of founding members. Today we strive to keep the club's history and heritage alive. We seem to struggle with more rules and regulations than they did. However, Shoreline Riders Inc. is proud to still be riding on the same trails and offering similar accommodations that our founding members utilized.

Please join us for Our Annual Overnight Trail Ride Weekend
Bring the family for a fun-filled weekend. We are excited to be offering some new additions this year; please help us spread the word!
