PRESIDENT’S MESSAGE

I’m sure this newsletter will find everyone eventually. With the power outages, computers down, storms, snow, and flooding many are taking a beating this winter!

I wish everyone strength and perseverance to deal with Mother Nature. I’m just getting my message out “under the wire” as we have been cleaning up with the bit of sun this week. Minor flooding here in the flatlands under control …… but leaving the sandbags till well into the season.

Programs and events will bow to the weather & keep running when they can. The State Parade was held at the Ripon Almond Blossom Parade February 23rd so we are hoping the sun held out.

Best wishes for everyone out there keeping the home fires burning, horses, animals & people cared for, safe & healthy.

See ya all in the spring thaw! Take care, stay safe.

Jim

KEEP AN EYE OUT!

Howdy, I’m Joleen Lambert 1985 Miss CSHA. I’m now a commercial fisherwoman. I had my truck broken into at Fisherman’s Wharf in San Francisco. My buckle along with my clean clothes were stolen. I mourn my loss. I was so very proud of it and worked hard to win it. I loved serving CSHA. It was a beautiful heart shaped buckle with two ruby stones set in brass flowers. It has “MISS CSHA QUEEN 1985” on it. I miss it so much. If anyone could know of anything in the winds, that would be so grateful beyond words if it could be recovered. Thank you, sincerely,

Joleen Lambert

We know it’s a longshot but if any of you frequent pawn shops, flea markets, or antique stores please keep an eye out.
CSHA STATE PARADE

Saturday February 23 was the Parade Program’s big day! The 57th Ripon Almond Blossom Parade was the venue for the CSHA State Parade & Awards Banquet. The weather cooperated and it finally stopped raining, snowing, hailing, blowing, etc. We held the press to bring you a few pictures of the day. I’m sure the May issue will feature a detailed story of the event from Parade Chair Candy Graham, but here are a few teasers: Our Miss CSHA 2019 Mary Homicz looked stunning mounted on her steed for the day, Buddy, whose usually sight seeing across the countryside with TRAP Chair Marie Grisham. The Merced County Sheriff’s Posse was out in full force with 14 riders and earned the parade’s Sweepstakes award. Our President Jim Hendrickson and First Lady Carolyn were also in the parade but we were not able to secure a picture with proof of that prior to publication. Congratulations to our CSHA Parade Program on a fabulous State Championship Event!

DRILL TEAM—Celebrates 70th Anniversary!

2019 marks an important milestone in the CSHA Drill Team Program history. A Drill Competition became a part of the combination CSHA Convention & Horse Show for the first time in 1949. This year we celebrate the 70th anniversary of that first Drill Team State Championship. CSHA has held the CA State Championships every year since with only one brief recess.

The Beginning: On March 8, 1945 an Army man, Col. F. W. Koester became interested in CSHA and so began the Drill Team Program for the California State Horsemen’s Assoc. So, who exactly was Koester? This San Francisco-born native Californian loved horses all his life. It was that love that encouraged him to make the United States Cavalry and Army Remount Service his career during the two world wars. The Army Quartermaster’s Remount Service bred, trained and supplied horses to Army troops in the field. The Quartermaster Depot, the World War II-era name for what is now Cal Poly Pomona was on cereal magnate W.K. Kellogg’s 800-acre Arabian horse ranch in Pomona CA. It was one of seven across the country where the U.S. military, to fight the Nazis, trained its secret weapon: horses! Col. F.W. Koester, who had led the Army’s War Dog center in San Carlos, was made Pomona’s commanding officer and he was responsible for the procurement and training of horses and mules for military use. In later years Koester served as General Manager of the California Thoroughbred Breeders Assoc. and Editor of The Thoroughbred of California. He also developed the lip tattoo as an effective means of identifying horses and bred Show Girl, a horse who won the silver medal in the Prix des Nations show jumping competition at the 1932 Olympics in Los Angeles. He died in 1988 at 93 years of age. I think he would be proud to see that our program today is not only still exist but is thriving.

Drill team maneuvers were used by the cavalry to position troops on the battlefield, so Col. F. W. Koester knew what he was doing when he suggested a Drill Team Program. Drill teams had become popular in the late 40’s with not only children’s and women’s riding clubs but also with the male dominated Sheriff Posse units, that helped the war effort here stateside. There were many family oriented equestrian clubs and associations springing up across post war California and drill provided a fun group affair. Koester led the discussion for uniform Drill Team rules across the regions and then the State. Rules were accepted Aug 7, 1949 and the first California State Drill Team competition was held Oct. 13-16, 1949. In 1957 the Junior and Senior State Champions were first invited to perform at the Cow Palace. In 1962 Earl Bradley, also an ex-cavalry officer, who resided in Turlock, Ca, was Chairman of the Program. At that time there were 250 riders participating in the Drill Team Program. Throughout the 50’s, 60’s, 70’s, 80’s the program had it’s ups and downs with different leadership, but competitions were held, and the program persevered. Due to a lack of a State Chair to run the program in 1995 the Drill Program was put on hiatus.

Re-emergence: In 2003, Robert Lorbeer, then Captain of the Sacramento Sheriff Posse, stepped up and volunteered to restart the Drill Program. At the time there was not a single drill competition available in the state. Mr. Lorbeer gave up his role with the Sheriff’s Posse to focus on the CSHA program. In 2003 the State Championship Competition was reinstated and held at the Stanislaus County Fair Grounds, bringing a drill competition back to California. The Blue Shadows won the Junior Championship, Sierra Sundowners won the Senior Division, Sacramento Sheriff’s Posse took the mixed division, and the Overall Highpoint title. Robert Lorbeer remained the Drill Team Chairman for eight years revitalizing the program and putting it on solid footing once again.

The latest Chapter: At the completion of the 2010 season Lorbeer faced with a demanding schedule resigned his Chairmanship and nominated me, Jill Kraut, for the position. At the time I was the Executive Officer of the Blue Shadows Mounted Drill Team but after 45 years with that organization I felt I could have a greater impact on the growth of this sport through CSHA, so I accepted the position as State Chair and resigned from Blue Shadows who had many talented people to see to its welfare. At the State Championships in 2011 the Robert Lorbeer “Spirit of Drill” award was introduced. The award was aptly named for Robert Lorbeer to honor and acknowledge his importance to the program and the spirit of competition he instilled.

So here it is 2019 and we are celebrating 70 years of Drill in California thanks to the California State Horsemen’s Association. We are proud that others have followed in our footsteps and currently there are five competitions held in California for teams to attend. CSHA continues to focus on ways to transform, renovate and innovate one of the few team equine sports available to equestrians. Let’s celebrate today and plan for the future!

Do you know about all of the scholarships that your CSHA membership qualifies you to participate in? Our CSHA junior riders can earn money for college by simply doing what they are passionate about. Horsemastership even offers some adult scholarship opportunities. Many of our programs now have a scholarship program and if you are not involved in any of those programs the Coto Foundation Scholarship is open to all Junior CSHA members with no specific program affiliation. The Trail Trial Program proudly kicks off the inaugural year of their brand new CSHA Harvey L & Maude C Sorensen Foundation Scholarship. Check the program page on the CSHA website or with your program chairperson to find out the criteria for participating this year.

Parade

The Parade Program would like to extend an invitation to all of the other CSHA Programs to join us this year. The pleasure and enjoyment of sharing your horse with so many spectators that attend parades is just one of the reasons for becoming a member of this program.

Each festival or event’s parade both in small towns and large cities offer nice awards. At the conclusion of our point year, the Parade Program offers year end and Perpetual Awards that are earned by member’s nominations. A Championship Parade and Award’s Banquet is held each year to honor our members.

Some questions you might have about the Parade Program:

⇒ What classes/divisions are there available to participate in?
  * There are thirty-two classes; from individuals to groups, horse drawn vehicle to miniature horse/mule. The classes are divided into Junior and Senior divisions. There are also 2 Future Horseman leadline classes (ages 1-8) and a Junior Equestrian (9-17) age group.
⇒ Do I need a fancy costume, tack or special horse to compete?
  * No, absolutely not. Some of the classes, Plain Western and Vaquero favor the basics of good equitation, a well-mannered horse or pony, and cleanliness of the outfit, equipment and mount.
⇒ Can I lead my child/grandchild in a parade?
  * Yes, In fact it is required that the Future Horseman (ages 1-8) be on a leadline with an adult during the entire parade.
⇒ Where are CSHA parades held?
  * Our first parades of the year are in February in the cities of Cloverdale and Ripon. The last parade is in mid-December in Columbia State Park.
⇒ How can I have my local area’s parades sanctioned (approved and judged by a CSHA licensed parade judge) in order to receive my year end points?
  * You may contact me and I will personally contact the Festival Parade Coordinator and provide them with the information needed to contact judges and obtain a contract from that judge with the Festival. I will also be happy to explain to them the benefits of having the California State Horsemen’s Association Incorporated sanctioning their parade.
⇒ How do I become a part of the Parade Program?
  * You may call the CSHA State Office, 209-227-7110 or go online to the website at www.californiastatehorsemen.org or email californiastatehorsemen@gmail.com

You may give me a call concerning the classes offered and I will send you the detailed information.

Please join the Parade Program members this year to help promote CSHA through festivals and events held all year long.

Sincerely,
Candy Graham

Parades are a family event for the Gillian’s. Payton’s Grandfather Paul has been driving a stagecoach for 55 plus years, and when he isn’t working he helps us on our parade ventures. Corky is an outrider for the stagecoach and helps Paul when she can. She has been a CSHA member for about 4 years, and does it to spend time with Payton.

Payton rode in her first parade at the age of two in Livermore. After that day they became CSHA members and have been to over 30 parades. Payton and her Horse Dog are the best of friends and have taught each other a lot. As for Mother Tara and her husband, they have lead Payton though all those parades. Payton is excited for what this next year will bring. They are thankful that they are able to have horses and do something that they love.

Payton (Future Horsemen), and her Grandmother Corky (Plain Western).

Hello, I am Mary Homicz, Miss CSHA 2019. I am 16 years old and live in Junction City, California.

I am the first to hold all three CSHA Royalty titles for girls, Little Miss CSHA (7-10), Junior Miss CSHA (11-13) Miss CSHA (14-17). Boys can also participate in CSHA Royalty and run for Little CSHA Ambassador (7-10), Junior CSHA Ambassador (11-13), Ambassador (14-17). CSHA has been an amazing learning experience for me! I have gotten to do a lot of representing over the years, Queen Runs, Parades, helping present awards at shows and banquets, going to CSHA Day at the Races, Horse Expos and more.

The first event I represented as Miss CSHA 2019 is the 2018 CSHA Convention in November, in Jackson Ca. I gave the Royalty report at the board meeting. In December I attended the CSHA Region 13 Christmas Party in Fortuna and Awards dinner and spoke about CSHA Royalty. Later the same day I went to the Redwood Empire Endurance Riders Christmas party in McKinleyville. Redwood Empire Endurance Riders are a CSHA affiliate club and I have been a member since I was 6. I spoke to the club about CSHA Royalty and have spoken to them many times over the years about CSHA programs like Endurance and Trail Riders Awards Program (TRAP). In January I attended CSHA’s first Quarterly meetings of the year in Santa Nella and had lots of fun with my mini me, Little Miss CSHA 2019 Gracie Lewellen.

Next month I will tell about my experience at the CSHA State Parade I plan to participate in on TRAP Chairwoman Marie Grisham’s horse Buddy, I am very excited, I love riding in parades!
