

The CALIFORNIA STATE HORSEMEN'S ASSOCIATION INCORPORATED

October 2016

Dear Paraders,

Thank you to everyone that responded for the opportunity to form a CSHA group to participate in the January 1, 2018 Pasadena Tournament of Roses Parade. This is your last chance to let me know if you are interested. If we are accepted, we would also be a part of Equefest at the Los Angeles Equestrian Center where the horses are stabled. The trails there are available, and a hosted dinner for all the equestrian participants and their guests is included.

Next, do not miss out on your year-end High Point Award. In order to qualify, you must have ridden and placed in five CSHA sanctioned parades and have paid your nomination fee of \$20 for the 2016 year. There are many parades left between now and the last parade of the year, the All Horse Christmas event Sunday, December 11th at Columbia State Park.

Congratulations to our members that have won Sweepstakes cash prizes recently. The Newman Fall Festival's \$200 featured a tie between Connie Hawkins and Claudio Arroyo. Madera's Old Timer's Day awarded \$150 1st to Claudio Arroyo and \$50 3rd to Candy Graham. West Point Lumberjack Day presented \$100 to Connie Hawkins. Please let your parade committees know how much these cash awards mean to us and encourage other communities to offer them in 2017.

Enclosed is a flyer for your upcoming State Convention. Please try to attend or have a member of your group be there so your voice is heard and the right decisions are made.

All of you have done an outstanding job participating in the Parade Program this year. Always encourage new riders to join us to make our group even better. Just give them my telephone number and I will explain CSHA and provide them with the paperwork necessary for membership. There is ample time for new members to qualify for their year-end award as well.

Have a great Fall season and I hope to see you at a future Holiday Parade.

Sincerely,

Candy Graham

Close your eyes and imagine...people lining the street of a town to cheer the conquering hero returning from battle. Keep your eyes closed and imagine...banners fluttering in the breeze, trumpets blare, horses prance. You are witnessing a parade.

Parades have been with us throughout recorded history. We here in the United States have developed a special affinity for these wondrous extravaganzas from the smallest parade down Main Street to the Thanksgiving and New Year's Day spectacles occurring in New York and Pasadena. A parade brings out the kid in each of us. The American people love to watch a parade and some of us love to participate in a parade.

Parading has been a part of CSHA since its earliest years when a parade was held during each annual convention to "announce" that CSHA had come to town. In the late 1960s the formation of the Parade Program we have today began and in 1971 the Ripon Almond Festival Parade was the first sanctioned CSHA high point parade and the first championship parade was held in Santa Rosa that same year.

Today CSHA offers a Parade Program to its members featuring over 30 different classes for the rider who likes to travel with a group, for the rider who likes to step out alone and even for the person who likes to drive. From classes requiring total authenticity to those in which pure fantasy reigns supreme, we believe that there is a class in our Program that will spark your interest. The Program supports a yearly high point competition among the participants of each class and an annual championship parade.

Take some time to browse through the Parade section of the CSHA rule book. If you have any questions, please don't hesitate to contact us...the Program Committee, the Parade Judges and our Parade members are always willing to talk "Parade" with you.

For contact information go to our Home Page to locate the State Chairman and Judges lists.

See you on the street!
