Dear Paraders,

Fall has finally arrived and all of the holiday parades are scheduled. If you have questions or concerns about any of the upcoming parades, please call the chairperson and/or myself.

Next, if you could send me a few paragraphs and a photo if possible about yourself or your group I can include the information in future newsletters. Several months ago, Jaime Arroyo kindly sent interesting information about his uncle Claudio Arroyo.

Do not forget your CSHA Convention November 8-11th at the Jackson Rancheria Casino and Resort. The information is included in this newsletter. The Parade Program meeting will be Friday, November 9th. The TBA time will be available at the State Office very soon. All of the CSHA programs have scheduled meetings. I think you would enjoy seeing what actually goes on with the varied disciplines such as Drill Team, Trail Trials, Gymkhana, English-Western, Royalty, and Endurance just to name a few.

In closing, our heartfelt sympathies go out to Charlie Alamo in the recent passing of her dear Mother. Our thoughts and our prayers are with her and her family.

Thank you everyone for your participation and your behind the scenes help to keep equestrians an important part of every parade.

Sincerely,

Candy Graham

Charlie Alamo has been a CSHA member for only three years. She had been riding in local parades for well over 20 years. Alice Lawellin and Candy Graham kept begging her to join CSHA and she finally did!

Charlie teaches middle school in Gustine and works with handicapped students. She also is a 4-H horse and sewing project leader for West Side 4-H in Gustine. She started Horse Therapy of Merced County in 1998 to offer free horse therapy on the fourth Sunday of each month to students and adults with special needs.

Charlie rides in the Ladies Side Saddle class. She is usually riding with her quadrille team, The Quadrille Queens.

The Quadrille Queens started as a quadrille team through the former California Quadrille Association. The name came as sort of a joke. “When we show up to a dressage show we look like the clown car. Our stock trailer will haul six to seven saddled horses, depending on their size,” stated Charlie Alamo. “We usually get a big laugh when we unload.”

The girls on the team have changed over the years. “We used to do just a couple of local parades in Gustine and Los Banos; but we have branched out since becoming CSHA members.”

Team members ride together each week and all the girls at this time ride Charlie’s horses. Each year, just after Halloween, the girls will select next year’s theme. The team has ridden as pirates, girls in pink pony skirts, tye-dyed hippies, among others. We can hardly wait to see what next year brings.
