It was extremely informative as he discussed difficult problems that face us now and future endeavors. He is responsible for overseeing 30,000 plus Open Spaces acres. He works extremely hard to make sure that the Open Spaces are protected and kept beautiful and safe for all to enjoy.</p> <p>Mary Russell called me recently. She gave me permission to share this with you and I thought it was in particularly important for her friends to be aware of what she had to say. Mary's health is declining. The doctors found cancer in her lung and a problem with her thyroid. She is in good spirits and has the support of her sons and family. She is down to two or three horses and of course her beloved dogs. Her doctors are supportive, as well. She is walking around, not bed ridden, so that is in her favor. This is all very difficult. So very very sorry Mary. Recover Quickly! Wishing you health!!</p> <p>Happy Trails, my friends, be safe, enjoy life, until we meet again.</p> | <p style="text-align: center;"><u>Chairperson</u></p> <p><u>Trail Patrol / Clean-up</u> Matt Smith 951-681-0957 racheys@pacbell.net</p> <p><u>Trail Reports/Records</u> Jennifer Todd 951 681-6428; 951 552-0285 Todd.terry@att.net</p> <p><u>Friends Of ETP Rides</u> ALL members – Pick your favorite spot and lead or coordinate a ride</p> <p><u>Legislation/Trail Issues</u> Henry Escalera 951-681-0108; 909-731-8747 redluna1@sbcglobal.net and Susan Zurawik– Norco szgoldhorses@gmail.com</p> <p><u>CSHA Website</u> http://californiastatehorsemen.com</p> <p><u>Hidden Valley</u> Ranger Robert Williams; Cell 951-712-2039 Robert.williams@rivcoparks.org</p> <p><u>Sheriff Phone Number</u> <u>Non emergency</u> 951-270-5673</p> |

REMINDER

- +Keep an eye on your animals' water. The heat of the summer is extreme. Clear, clean, and full water containers are so important for the health, comfort and longevity of your animals. Don't forget your chickens, outdoor cats...the entire menagerie!
- +Remember the ground is exceptionally hot as well. If you walk your animals, please make sure that the pavement is not going to burn their paws.
- +Interesting information -I was just recently **told** that the larger the horse the harder the heat is on them when ridden in the extreme heat. Just saying, and passin' it along. ☺

Trail Chair

JENNIFER TODD

Do not forget to turn in your trail reports.

Jennifer submits report information to the County, State and everyone in between. Please, one report per ride, list the names of those that rode, no duplicate reports for the same trail ride. Thank you

Jennifer's email is: todd.terry@att.net or use a paper form and give it to her at the meeting.

Remember we are the Equestrian Trails Patrol. Trails are our focus. Report what we observe and/or any assistance rendered. It is a good idea to ride with a buddy!
