REMINDER

- +Keep an eye on your animals' water. The heat of the summer is extreme. Clear, clean, and full water containers are so important for the health, comfort and longevity of your animals. Don't forget your chickens, outdoor cats.....the entire menagerie !!!!!!
- +Remember the ground is exceptionally hot as well. If you walk your animals, please make sure that the pavement is not going to burn their paws.
- +Interesting information –I was just recently **told** that the larger the horse the harder the heat is on them when ridden in the extreme heat. Just saying, and passin' it along. ☺

GET WELL

Our best to Sharon, Bill Naylor's partner for a swift recovery.

Trail Chair

JENNIFER TODD

Do not forget to turn in your trail reports.

Jennifer submits report information to the County, State and everyone in between. Please, one report per ride, list the names of those that rode, no duplicate reports for the same trail ride. Thank you

Jennifer's email is: todd.terry@att.net or use a paper form and give it to her at the meeting.

Remember we are the Equestrian Trails Patrol. Trails are our focus. Report what we observe and/or any assistance rendered. It is a good idea to ride with a buddy!
