Happy Trails my friends! Hope that your summer months are happy. Protect your dog’s paws from the intense heat from the pavement. It is extremely hot so insure the well-being of your animal’s paws if you need to walk your dog. Remember you would not go barefooted on the pavement….

One more month of this heat, so once again check that your animals have plenty of fresh clean, clear water always available. An overhead cover to protect your horses from the heat is also advisable.

There are still plenty of people playing and picnicking in the riverbed. As you ride the trails, try to ensure they are kept clear. Always ride with a buddy and be cautious of people or items that may spook your horse. The umbrellas, beach balls etc. fly away without reserve, be aware.

Enjoy these last months of summer. Be safe, love with all your heart, and take care of all life… it is so fragile.

Happy Trails, my friends, until we meet again.

Char,

**Our restrictions have been lifted as of today.** Last week we completed our assessment of the dedicated trails in Hidden Valley and work is scheduled to start this weekend. We are currently conducting post-fire work after the big Box Springs Reserve fire. This might delay trail cutting by a week.

I appreciate the support and everyone's patience. My team is smaller than when John was around and we cover an additional 30,000 acres of land. A big job for a small crew. Nonetheless, you will find the trails in great shape in the coming weeks.

Thank you.

My neighbor, Kay Edwards, is moving out of state. She has lots of older pipe corral panels she would like to sell, several older saddles, and misc. tack. She has chickens she will be taking to the auction. If you are interested, call her 951-310-2014 (cell) or 951-734-8848 (home)
