Supporting Riverside County Trails & Beyond

By Helen Johnson

We are getting more on our agenda as the days grow cooler and shorter. *Trails4All Annual Inner-Coastal & Watershed* Clean-Up Day is having their annual cleanup day October 13th at Hidden Valley. ETP is requested to help with the cleanup. Our Hidden Valley is important to all of us so this is the perfect opportunity to get involved and “give back”. The cleanup starts at 8:30am at the Nature Center at Hidden Valley and ends at noon.

Mike Williams was our speaker at our September ETP meeting. He is from Back Country Horseman, a group dedicated to preserving the historic use of trails with recreational pack and saddle stock. A couple of members from BCH also attended, which was really nice. Some of our members are also BCH members as well and were well acquainted with BCH. His talk was VERY informative and they, like ETP, work toward preserving our trails. It was an excellent presentation given by Mike Williams.

Remember that an incentive program has been put in place for new members. The new member you bring in will only pay half of the fees to join, and YOU will only pay half your fees to maintain ETP and CSHA membership in the new year.

Another incentive program has been approved for participation in the new partnership with the ranger. Your name will be put into a drawing/raffle a name to be drawn at the ETP meeting.

Ride with a buddy, be alert.
Take care, my friends, be safe, healthy and make good decisions,

Happy Trails until we meet again!
