Legislation/ Trails Issues – Susan Zurawik, Henry Escalera, Bill Naylor

+ Bill Naylor- Norco: Car Max is trying to obtain the lot on the East side of the street off Second as you head east on second under the freeway. The Planning Commission denied them this go around. It would mean a change in Norco zoning. This has been met with opposition. This would also mean that low-income housing would be on the table. This may mean housing for seniors or veterans as well as young families. However, it was speculated that this would also change Norco’s ability to maintain a horse community, as they know it now.
+ Bill Naylor- Norco: Quite a few groups showed up to help put in railing in Norco. Bill related an anecdote that was humorous. On that specific day and time day, a traffic accident had just occurred and took out the railing. The city had been called but everyone at the site was amazed that the city acted so quickly and had people out there to fix it just as it had happened. Well, Bill was there with the crew to work not replace the railing that had been torn out.

Old Business:
+ Helen Johnson- ETP Girls’ Annual Brunch Western Ornament Exchange will be held at Helen’s home, 10860 Holmes Ave. Mira Loma. Sunday December 9th, starting at 10 am -12 noon. Ride immediately following for those that wish to ride. Bring a dish to share and a wrapped Western ornament.
+ Char Schramm- Christmas Family adoptions- Margie Sivert found two families. Rachel made contact with them. First family consists of three – mother, girls 7 & 9. Second family have parents and four children Girls ages 6 &16, boys ages 8 &15. ETP is paying for food/staples. Requesting members to either buy a gift or donate money for a gift /jacket. Money may be given to Char or Wendy.

New Business:
+ Laura Shultz- Gift Card/ Monetary Assistance for five CSHA Families who lost everything in the “Camp Fires”. The members are direct members of CSHA. Four families were direct members of Region 2. Call Laura Shultz to donate or help.
+ Laura Shultz- Tack Donation- CSHA has five members who lost everything in the “Camp Fire” that tore through Paradise and the surrounding area. The Equestrian Community has suffered the loss of their homes, out buildings and everything that is takes to care for their horses. Please go through your tack room and donate the items that are not being used. It would mean a lot to our “Equestrian Families.” Laura will pick up your donation and make sure the items get to those in need. There is a truck that will be going up in a couple of weeks and Laura will possible be going up also.
+ Char Schramm made a motion that ETP donate $1000.00 to the five families, direct members of CSHA, who lost everything. That would mean $200.00 per family. Discussion- question- Discussion question: What is CSHA doing? Answer: An Emergency Fund (an ongoing fund) that allows money for food for animals, fuel etc., This will be discussed and put into motion at the January quarterly meeting as all aspects and facets must be accomplished according to the letter of the law.
Char Schramm motioned, Deborah Hild, seconded the motion. Motion carried.
+ Laura Shultz- Convention- Laura is making headway on the senior judge, the issue of the proxy vote, and supporting the Southern Region area in their endeavors.
+ Vicki Voss- May 4 and May 5 Trail Trials at Diane Putler’s home. See the RRT website for more information.

+ Henry just received a text that stated Amanda Hop is now in 2nd at NFR!! She dealt with a horse that was not complying, and the judges noted her excellent horsemanship!
