### July 2019

**Supporting Riverside County Trails & Beyond**

**By Helen Johnson**

Summer is officially here. It is certainly heating up with a smidge of humidity in the air. Be sure your all of your animals have plenty of shade, cool, clear, clean water to make it through the summer months unharmed.

It seems to be a heavy year for ticks and fleas. Check your animal’s bodies regularly. There are new methods of prevention that are easy and effective. Check with your vet to circumvent this problem.

Read the minutes, there are many events happening in the near future and early fall. ETP is working on planning a camp-out in the fall. Come to the meeting to give your input and ideas.

Laura Shultz is requesting volunteers to work the July 28 CSHA affair at the LA Equestrian Center. She is planning on going and carpooling is a good idea. They need ETP to park cars from approx. 1 pm to 3 or 4 pm. After that time, you are welcome to go into the Equestrian Center and watch the competition free of charge. Laura thinks that 3 to 4 people will suffice for this event. Please call Laura at 909-240-5512.

**2019 Incentives** - During your patrolling, if you contact the ranger directly with a problem or issue you have encountered, be sure to put it in your trail report AND let Jennifer or Char know. You’ll be put into a drawing for a prize at our ETP meeting.

In addition, if you bring in a new member to ETP the new member will receive membership at half the cost and at January’s renewal period, the ETP member will only pay half the cost of renewal into CSHA and ETP. However, the new member will need to reup with ETP.

Remember an ETP clean up is planned for August 3, Corydon Trail Head. 8 AM.

Happy Trails, my friends, until we meet again!
