A Horse’s Christmas Pie
Since Christmas began in a manger and spread to hearts and hearthside's all over the world, it is only appropriate that gift-giving should include the gentle, steadfast animals whose ancestors saw a star ride and the Lord born in the hills of Judea. Thus reasoned the young students of the St. Charles School of Equitation in Hinkley, Ohio, and they organized a Christmas Party for their stable of horses. Christmas decorations were tacked to the stalls, and a special Christmas pie was concocted for the guests of honor. Here is the recipe for this equine delicacy:

2 handfuls sweet feed
4 carrots
1 leaf lettuce
2 apples
1 stalk celery
2 tablespoons sugar
4 handfuls oats
1 handful corn
1 handful bran

Dice carrots, apples and celery and mix with lettuce. Add remaining ingredients and mix. Serve on deep platter—or from your hand.

We finally made it through the season with no more cancellations. Because of the low turnout at the shows we will be cutting down the amount of shows we do next year. Enclosed in this newsletter is a survey to see what people want in the way of gymkhana events. Hopefully I will get these back from each of you that has ridden or participated in our events this year. I hope that during the good days some of you are out riding. If you belong to Palo Cedro Riders, Trinity Horses and Long Ears, or Redding Women’s Rodeo Assoc. you are a member of CSHA. Just remember that you do not need to be a member of anything to participate in any of our open events. For more information call Kat 357-4503
