No minimum number of rides is required. To be a CSHA sanctioned ride the event must adhere to the rules of the American Endurance Ride Conference (AERC). All AERC sanctioned distances 25-100 count towards your points. This includes rides out of the State of CA and in Canada. You do not have to report your rides. Your points will be taken from AERC's online results. AERC membership is not required to participate in the CSHA Inc. State Endurance Program, but strongly recommended. Go to [www.aerc.org](http://www.aerc.org) and click on COMPETITION for ride calendar to find rides you want to participate in.

Points for The Richard Theodore Overall High Point Endurance Rider Award are based on combination points from all AERC sanctioned distance 25 to 100 miles completed by all horses that any rider has signed up in the program. There is also a Overall High Point BC Horse Award based on combination of BC points from all AERC sanctioned distance 25 to 100 miles completed.
