

JUDGES COMMISSION RESOLUTION

2018

Judge's Commission Resolution #JC 1

Judges Commission, SEC. 3.0 License Requirements, subsections 3.3.2 and 3.3.2.1

WHEREAS, Judges' Commission rules do not address the symposium format other than to provide allowances for the Commission to move a symposium off site and for a person to attend the seminar electronically, and;

WHEREAS, in the past, to make a format change, the Commission has had to go to the Board of Directors for approval and this has proven to be contentious because of some individuals from time to time, and;

WHEREAS, it is difficult to put on a symposium for a discipline that has a small number of judges, e.g. Parade and Drill Team. Frankly it's just not cost effective especially if one or more judges are unable to attend, and;

WHEREAS, Parade has conducted "electronic/written" symposiums very effectively in the past, and;

WHEREAS, it would be beneficial to give the Commission latitude to make such a decision as to the format of the symposium without having to go to the Board of Directors;

Therefore Be it Resolved that Judges Commission, SEC. 3.0 License Requirements, subsections 3.3.2 and 3.3.2.1 be amended as follows:

Change 3.3 title to Mandatory Symposium
(Because 3.3 addresses more than just attendance even now)

Delete 3.3.2 and 3.3.2.1.1 and incorporate wording into a new 3.3.2

3.3.2 At its discretion, the Judges Commission may elect to utilize a classroom, "hands on" or electronic/written format or any combination of the three for a mandatory symposium.

3.3.2.1 At its discretion, the Judges Commission may approve a site other than the CSHA meeting site for a mandatory symposium to provide an enhanced learning experience for attendees. All judges in the affected discipline will be notified a minimum of forty-five (45) days in advance of the location change.

3.3.2.1.1 A symposium site that is within a twenty (20) mile radius of the CSHA meeting will be considered "at the CSHA meeting" and only the standard symposium notice is required.
