It is challenging to guide a large group of people and interests in a state-wide organization. As I have expressed before, **WE** can do this because of all the dedicated members, families and friends that volunteer to support, work for and contribute untold resources, and many hours to our programs and the association.

This is a positive equine organization that engages families & their children as well as those of us who have put in all those trail & show miles but enjoy the opportunity to continue to grow and achieve. We have met with some extremes the last few years but we are still here! Hope you can plan on participating at the Convention and the Celebration.

Regards,
Jim Hendrickson

OBSTACLE CHALLENGE

We are winding down on our show season with the last few qualifying shows in September and October 1, before our Championship show on October 15 & 16. Once again the Championship show will be held at the amazing Running I Ranch in Dunnigan. We have 26 Riders already qualified, with another 25 possible to qualify in the last couple of shows. Event managers have had a tough time with their show scheduling this year. Late rains in late spring and early summer cancelled and postponed shows, then the heat and location

Linda Wall

caused canceled or postponed shows. But, down to the wire, and shows were rescheduled and shows went on. Lots of new faces showing, some new locations with challenging obstacles and lots of fun being had by Advanced to our mini youth. Love seeing more youth coming to compete. Looking forward to seeing everyone at Championship show in October.

PARADE

I am certain all of you are ready for this hot and humid weather to be over. It was forty degrees cooler just over the hill in Salinas where the Salinas Rodeo and Grand Entry was an amazing as ever. I was proud to ride Meg, the only mule, in the five mile long parade. In the Grand Entry on the track we followed a very special young lady riding her saddled black Angus named Mud Pie. Thank you Lonnie Sloan and Charlie Alamo for their recent efforts in recruiting new parade program members. I have called and also sent information to both of their contacts made at parades.

Thank you to the paraders that rode Labor Day weekend in the record setting heat at the Newman Parade. Afterwards, Parade Program awards were presented from the 2020-2021 year. I will make sure you receive your awards if you were unable to be there.

A reminder that our annual CSHA Convention will be held in November at the Hotel Mission De Oro in Santa Nella. The Parader's Grant will be presented at the convention. The meeting will be held November 11th, time to be announced.

Great news was received by the Alameda County Sheriff's Posse that they have been selected to ride in the 2023 Tournament of Roses Parade in Pasadena. Congratulations to all of their team members and supporters.

Finally, we all realize how much equestrians are appreciated in parades. We all bring smiles, memories and entertainment to the people that watch from the sidelines. Also we are thankful for our horses, mules, our families and friends that enable us to participate.

Mary Ann Reece of Region-I, passed away in May 2022. She was a fixture in the Sonoma County horse scene for many years both in horse shows and parades. She and her Arab stallion, Mighty, represented the CSHA Parade Program for many years in the Arabian Native Costume Class winning the 2011 Overall High Point Award and in 2013 the Dino Horse Award.

HORSEMASTERSHIP

CSHA Region 2

Just look at Jack Wagner's winning smile! Congrats on your accomplishment young man. Becky Gage tells me he lives in Glenn County, west of Orland. He's just started riding horses this year and is taking lessons from a friend of hers. He rides with Nellie Swain (5) at her Grandpa's house in Orland. Nellie is in the turquoise blouse in the photo. We can see it feels good to be recognized! In case you didn't know, Juniors compete on identical tests in written, grooming and riding as Adults in Horsemastership which takes some grit for these terrific horse kids! Thanks to Sam Ballard for Chairing Region 2 this year and thanks to Lauralye Casipit for judging and wrangling that ribbon around this Cowboy's neck!

Below is Gracelyn Hayes riding one of her Horsemastership patterns!
