January 2023 Edition

PRESIDENT'S MESSAGE

Here we arein the New Year.....2023!

I hope everyone was able to share a great holiday with family and friends. We kick off another year packed with activities and horses once again.

Convention was successful and well attended. We got down to business and made some significant improvements to our Bylaws and rules for smooth running of the administration and programs.

We celebrated 80 years for this Association of horsemen, horsewomen, families and friends. The Celebration Reception and Swearing in of Officers was very nice. Carolyn dug through the old collection of pictures and put together some mementos for years' past from old photographs and newspaper articles.

It is a pretty significant winter for many- making for a white Christmas. Hope you tuned into the Rose Bowl Parade on January 2nd and saw some of the horse units we are familiar with: Alameda County Sheriff's Mounted Posse, the Blue Shadows Drill Team, Norco Cowgirls, Temecula Valley Horsemen & Merced County Sheriff's Posse.

Looking forward to a productive & active year for CSHA. Happy New Year to All.
Jim Hendrickson
CSHA President

PARADE

Our Parade Program lost a very special lady at the end of October, Connie Hawkins from Columbia. Connie, her husband Ed and their champion miniature driving horse Pogo were always the spectator's favorite entry in parades. Connie's beautiful costumes and Pogo's presence won sweepstakes and even Best of Parade awards in almost every parade they entered. Connie was also a member of the Shady Ladies of the Mother Lode sidesaddle group. Connie won the Parade Program High Point Award in 2012, 2013, and 2017. She also earned the Scheurer-Standley Sweepstakes Trophy in 2012 and 2016. Also, selected by their peers they were presented the Bob McMackin Award twice, her husband Ed in 2012, and Connie in 2013. Pogo was selected by CSHA members for the Dino Horse Award. Ed and Pogo, in his thirties, still reside in Columbia and deeply miss their days of parading together with all of their friends.

November 28th I was able to deliver our annual Parader's Grant plaque and a \$250 check to Ride to Walk, Inc., a non-profit serving Placer and Sacramento Counties. I met with the staff at Sierra Pediatric Therapy Clinic in Roseville. Their ranch is located in Penryn. Thank you Paulette Webb for nominating this deserving group.

Region 14 Year End Banquet

Our Region had their year end gymkhana banquet on Nov 2, presenting twenty-one buckles and various other awards to our riders. We also held our elections for next year's officers.

Our newly elected Region 14 Officers are as follows:

President: Robert Johns

1st Vice President: Laura Cox

2nd Vice President: Lacey Johns

As soon as we have our first meeting, Robert will appoint the remaining positions.

Our Banquet recognizes all the hard work our riders put in over the past year. It inspires our riders to continue to improve and promotes the equine industry through CSHA events that not only allow families to learn and participate together but encourages our community support for our rural lifestyle.

We have been actively planning the 2023 Gymkhana season. Our gymkhana shows will be the first Saturday of the month, starting in January and concluding in September. We plan to have at least one benefit gymkhana to help support the State Championship Show. Then we will have our annual Halloween Playday at the end of October.

The months of April and July we will have a break from our gymkhana shows and are looking to reignite our Trail Trial and/or Obstacle Challenge Programs. Laura Cox is working with Region 11, Laura Shultz, and Victor Pedroza to get this coordinated.

Other plans include the revival of our Horsemastership and TRAP Programs. We had a Membership/Poker ride with over 35 riders on December 10, and gave away nearly \$3000 in prizes, mostly provided by our community businesses, and gained some new members too.

Our Region also coordinated and had over 20 riders participated in our hometown Yucaipa parade.

We have a few more fun things planned and look forward to all the new members we have been getting to help make this our BEST year ever!

This amazing cowgirl, McKayla Watanabe, got left out of our group photo above. We want everyone to know she was a star player for our Region at the State Championship Show this year. Her first year, with only the minimum 5 shows under her belt, her first year of riding, and she went there and brought home the Reserve State Championship in Division 4 (probably the biggest, most competitive class). Thank you McKayla, can't wait to see where you go next!!

Shared-Use Trail Safety Committee

During the Covid pandemic, California parks received almost triple the number of visitors. Cyclists, hikers, equestrians and pet walkers headed into the great outdoors to explore nature for health and recreation. With this surge in park visitors, the need to educate trail users on proper etiquette for safely sharing trails increased. In response, CA State Horsemen's is convening a Shared-Use Trail Safety Committee. We will meet quarterly, along with the other state committees, as well as staying connected via email and/or zoom. If you'd like to add your name to our growing roster, please email:

rachael.parakh@gmail.com with 'State Shared-Use Trails' in the subject line.

Miss Rodeo California 2023

Former Miss CSHA becomes Miss Rodeo California

CSHA is well represented by amazing women. As Jackie Scarry, a former CSHA Drill Team rider, wrapped up her reign as the 2022 Miss Rodeo California it was time to crown the next lady to represent in 2023. Miss McKensy Middleton, our 2014 Miss CSHA, is now holding the title and will represent Californians at rodeos across the country in the upcoming year.

After her stint as Miss CSHA, McKensy went on to hold the title of Calaveras Saddle Queen in 2015 and Miss Rodeo Oakdale in 2017. She went on to try for the Miss California title in 2018. While she finished as third princess she decided it was too difficult to concentrate on college and rodeo at the same time. McKensy graduated from UC Davis in spring of 2022 with a B.A. in Biochemistry and molecular biology. She is taking a gap year as she prepares to pursue her studies in veterinary medicine. It is looking to be a very busy gap year however.

While at Davis she participated on the school's equestrian team which she claimed really helped prepared her for the important Horsemanship portion of the Miss Rodeo CA competition. In addition to horsemanship competitors are also judged in speech, personal & horsemanship, a test, raffle ticket sales, photogenic and personality over the three day competition.

As Miss Rodeo California 2023, McKensy will go on to compete for Miss Rodeo America in December of 2023 in Las Vegas. McKensy recently went to Vegas as the "Lady in Waiting" to assist Jackie in her bid for Miss Rodeo America and to scope out what will be expected of her next December. While Jackie fell short in her bid she did a tremendous job and represented California in spectacular fashion throughout her entire year.

We cannot wait to cheer on McKensy this year as she carries out her duties as 2023 Miss Rodeo California!
