January 2023

Dear Paraders,

Happy New Year! As I am writing this newsletter, I'm thinking of the Alameda Sheriff's Posse and their Tournament of Roses Parade experience as the rain continues. We are all wishing them a safe ride and return home. All of us who have ridden in the Rose Parade or driven rigs and assisted the riders know what endurance it takes for the horses, riders and their behind the scenes crew that enable us to participate in this one-of-kind parade.

Our first sanctioned parade of 2023 will be the Almond Blossom Festival Parade in Ripon, Saturday, February 25th. After the parade, we will present our 2022 year-end awards. Also, please send me your nominations for both the Bob McMackin and Dino Horse awards. I will need your nominations as soon as possible in order for a five member selection committee consisting of paraders and judges can make their decisions and the engraving can be completed on these perpetual awards. If you are willing to be on the selection committee, please let me know.

If possible please bring an appetizer or dessert to share. I'll provide the paper plates, utensils and bottled water.

Once again, have a Blessed 2023 and I am looking forward to a special parade day in Ripon with all of you.

Sincerely,

Candy Graham
