May 2022

Dear Paraders,

This year parade committees are calling looking for equestrians to participate in their events. Many thanks to all of our members for riding in as many parades as possible to promote the California State Horsemen's Association in order for those parade events to continue to be sanctioned for our High Point Program.

Next, I would like to encourage you to submit or give Parader Grant applications for our grant that supports therapeutic riding services for all ages. The Mid Valley Unit of the Backcountry Horsemen has held two events at the beautiful facility of the Horses of Warriors, the purpose of which is to provide veterans and first responders an opportunity for connecting with themselves and others. Mid Valley Backcountry Horsemen are longtime organizers of our Columbia State Park Christmas Parade.

At the CSHA Quarterly meeting April 23rd, I presented our request to obtain insurance and organizing this traditional parade. The Backcountry Horsemen Mid Valley Unit President Doug Dollarhide and his wife Cathy have given me their information for continuing the parade and they will answer our questions we will need to make it a reality that benefits toys to needy children and the businesses in the State Park that day. Please call me to pick an area you would be interested in volunteering for.

Last, I came across an old Championship Awards Banquet Program from October 11, 1997, that was held in Costa Mesa at the Wyndham Garden Hotel. The Championship Parade that morning was held in Tustin for their Tiller Days celebration and the horses were stabled at the Orange County Fairgrounds. Some of our members are listed as well as the names of the chairs, judges and their stewards. Truly a glimpse into the past.

Sincerely,

*Candy*
