PRESIDENT'S MESSAGE

CSHA is headed into a strong season full of activities. Gymkhana, English-Western, Obstacle Challenge, Trail Trials, and Drill have been filling up the calendar. Equestrian Trails Patrol, Endurance & TRAP riders stay active as well as Horsemastership, State Patrol and the Royalty programs. Our Parade program is struggling with scheduling State Parades since many cities cancelled parades during the last two years. If you know of horse units that would like to ride parades please contact the chairmen and find what parades are re-starting. It is through the hard work of our chairs and volunteers that these activities continue. Many of our State Championships and sponsors supporting them are already well underway. It will be a great season. Check the website for individual Event Calendars: californiastatehorsemen.org

CSHA President
Jim Hendrickson

Prior to the Quarterly Meeting an AD Hoc Committee was approved by the Board via E-vote. The Committee will address the issues with Equestrian Medical Monitoring Program of proposed increased fees per rider but more importantly their use of \$1.5 million in reserve funds from 2015 -2020 to cover expenditures in the budget. This is a multi-faceted problem that the committee will be addressing directly with CDFA and may need to push on to contact various legislators relating to the Ag industry for answers.

For those in the LA area- looks like some big names are coordinating the effort to stop the animal rights people from influencing the Board of Supervisors to outlaw the Rodeo in LA area. Be aware - it does not stop at one location; don't let them get a foothold in this distorted action.

While we are now in a climate of uncertainty, changing everyday globally, CSHA hopes to stand firm in providing our programs and remain a constant in the horse community.

Ride safe, see you out there
Jim Hendrickson
CSHA President

CSHA CHARITABLE TRUST

At the CSHA January Quarterly in Santa Nella, the CSHA Charitable Trust presented a report to update all of the scholarship programs on their current fund levels. The Trust also announced a new fund, the "Emergency Equine Assistance Fund" or EAAF. With the destructive wildfires ravaging our state, in-field veterinary response teams are critical to the survival of many animals. Many advances in emergency triage have been developed in the field responding to these disasters. The **UC Davis Veterinary Emergency Response Team or VERT** is one of those units. They have responded to recent devastating wildfire disasters such as the Tubbs, Camp, Kinkade Fires and many others.

This U.C. Davis program as well as others rely on donor support and do not charge for its activities. The Trust believes donations to these teams within the state fulfills both the educational and health and welfare for our equine partners that is our stated purpose.

TRAIL TRIALS—Region 2 & 3

Brushy Creek At Spenceville Wildlife Area C.S.H.A R-2 & R-3 Sanctioned Trail Trials

March 19 - 20 2022 Rain Date May 7 & 8 2022

COVID Considerations:

- Face masks required at registration & group gatherings.
- Hand sanitizer available at the registration table.
- No potluck.

Please join CSHA Region 2 and 3 for two days in the beautiful rolling hills of Spenceville Wildlife Area, celebrating spring and your chance to get out there and ride. Lots of fun obstacles, beautiful scenery, and great people to ride with.

- **Terrain:** Spenceville Wildlife area is 11,000 acres of beautiful rolling hills with easy to moderate terrain and great views. Saturday's ride is the longer trail with about 4+ miles and 10 obstacles. Sunday's ride is a shorter ride about 3-4 miles with 8 obstacles.
- **Camping** \$20.00 per night/per rig. You must haul in your own water. There are no pens available. Camping will be in a beautiful open field.
- **Awards:** Ribbons given through 6th place. Awards through third place.
- **Raffle prizes** will be announced on Sunday after the ride.
- **Directions** The Spenceville Wildlife Area is north of Lincoln, north of Camp Far West Lake, east of Marysville. It is off Chuck Yeager Road just south of the Waldo Road intersection. **From Sacramento**, to Marysville take highway 20 towards Grass Valley. Once you get to Smartsville look for Fire Station and Blue Storage units Turn right. Go about 1.5 miles to Chuck Yeager. Take a Left on Chuck Yeager Road just south of Waldo Road intersection. TRAIL TRIALS CLINIC

SATURDAY, MARCH 26, 2022

10:00AM - 2:00PM

TURLOCK, CA

\$45

Audit: \$25

Looking for new challenges for you and your horse? Looking for a way to establish a trusting relationship for you and your horse? Give Trail Trials a try! The clinic is designed for those new to the sport. A CSHA Trail Trial is approximately a 3-5 hour trail ride with 8-10 judged obstacles along the way. Obstacles can be natural landscape like creek crossings, uphill, downhill, gates, stepovers, bridges, etc. This is not an arena event!

CLINIC TO COVER:

- How obstacles are judged
- How rules apply to obstacles
- How you can improve your obstacle scores
- Improving your performance with your horse as a team
- Scoring you as your horse negotiates the course
- Ask all your questions!

DIRECTIONS

From South Bound Hwy 99: Take W.Taylor Rd Exit in Turlock and turn left. Turn right on Golden State Blvd and follow through town. Turn left at Berkeley Rd. (4 way stop sign) over the rail road tracks and immediately turn right on Paulson. Turn left on E. Linwood to 3521 E. Linwood.

From the North Bound Hwy 99: Take Golden State exit. Follow Golden State to Berkeley Rd. Turn right at 4 way stop sign over the railroad tracks. Immediately turn right on Paulson. Turn left on E. Linwood to 3521 E. Linwood.

OBSTACLE CHALLENGE

Hello and Welcome to Obstacle Challenge. A fun way to develop a partnership with your horse.

I am Vicki Nims, new State Chair for Obstacle Challenges. Gail Bloxham stepped down this year.

Gail has been huge part of getting Obstacle Challenges as an official CSHA Event, along with guiding it through the first few years. Thank you Gail for all you have done. So we have a complete new board this year. We have big shoes to fill, but are up to the task.

The State Obstacle Challenge Championship show grows each year. The 2022 Championship show will be held again this year at Running I Ranch in Dunnigan, October 15 & 16.

But, our Event Calendar is filling up quick. First show is April 2, in Clayton. A one day show, but great area to ride. Come a day earlier, or stay a day and ride.

Not too sure how to get started on Obstacles? Or want to know more of what the judges are looking for. There are also quite a few Obstacle clinics, some in conjunction with shows. First clinic is in March 18 at Cottonwood Creek Equestrian Center.

Check out our event page on CSHA website, and also CSHA Obstacle Challenge on Facebook for all related events.

Let's get started!

OBSTACLE CHALLENGE—Region 5

Reg 5 Obstacle Challenge has 5 events on the calendar

- ◆ April 3 at 1600 Trail Ride Road In Clayton.
- ◆ May 14,15 at The Equestrian Center of Walnut Creek
- ◆ June 18,19 at Napa Valley Horseman (In cooperation with Region 1)
- ◆ April 9 Clinic at the Equestrian Center of Walnut Creek.

Region 5 Obstacle Challenge will also sponsor a Buckle Series in 2022.

The Mt Diablo Obstacle Challenge is the first event of the Region 5 Buckle Series. This year's buckles will feature feathers and turquoise stones. The other Buckle Series events are May 14,15 at the Equestrian Center of Walnut Creek, and June 18,19 at Napa Valley Horsemen.

To round out the Buckle Series you may include up to two of the Running I events. Your best 5 rides will be counted.

Watch for details of all these events to be posted on the Obstacle Challenge calendar.

PARADE

Happy 2022 to all of you. Congratulations to the Merced County Sheriff's Possee for participating in both the Tournament of Roses Parade and the televised Equestfest prior to the parade which was held at the Los Angeles Equestrian Center.

After the last parade held December 12th at Columbia State Park, all of the parade results for the year were sent to our High Point Secretary. As soon as those results are confirmed for all of the 2021 year they will be available.

The CSHA State Office has sent out the membership forms for 2022. Our Parade Program membership forms for 2022 are enclosed. Please be certain that you send in both forms to the State Office before riding in any upcoming CSHA parade for points. Our first CSHA sanctioned parade will be held Saturday, February 26, 2022 in Ripon for their Almond Blossom Festival.

I'm kicking around the idea of having an informal get-together at the horse trailer/judging area after the parade. Due to the parade's late starting time, perhaps we could do a late lunch or potluck finger foods. We could quickly pass out year-end awards and enjoy each others company and friendship in a relaxed atmosphere. Our next Quarterly meeting for CSHA is Saturday April 23rd, 2022 in Santa Nella at the Hotel Mission De Oro. The parade program time TBA.

At the January Quarterly, raffle tickets from the CSHA Spring Raffle were passed out. This raffle will once again help us to fundraise for year end awards. If you did not get any to sell please make sure you purchase some from a parade member that did.

Candy Graham

PARADE—2022 Tournament of Roses

CSHA was well represented in this year's Tournament of Roses Parade. Our Champion Parader's, The Merced County Sheriff Posse made it through the parade despite of being placed directly behind a float that ejected fireworks from the back of the float. Our Drill Team State Champion Blue Shadows dazzled the crowd and was even asked by KTLA to perform a 1 minute drill in front of their camera location. Usually they fade past the equestrian units to the next float so it was quite amazing to see the equestrians get some T.V. time. The Temecula Valley Horsemen's Association of the Temecula Wine Country was the third CSHA group of the eighteen total equestrian units that made up this years parade.

The sun showed up for the big event, but the Equestfest event at LAEC experienced a downpour that drenched the parader's waiting to show off their skills in the equidome the Saturday before.

DRILL TEAM

The beginning of a new year means try-outs for many of our CSHA Drill Teams. New members are added and begin a journey that they would never have imagined. Drill is one of the few equestrian sports that is team-oriented. This provides team members with a way to enjoy their horses and make life long friendships with other teammates that they will spend a lot of time with throughout the coming year. Hours in the arena, on the ground, fundraising, and traveling to competitions create either lasting bonds or potential prison sentences.

The CSHA CA State Championships will once again take place at the Diamond Bar Arena in Ceres, on May 7-8th, 2022. We have added a "Buckle Challenge" to the mix this year. Teams competing towards the Grand Champion title may enter an additional compulsory drill with the outcome from that ride being added into their other scores to determine a "Super Champion". The super champs will take home matching buckles for their team. A compulsory drill is a pre-designed drill in which every team performs the same drill set at their own speed, with their own music selection. It gives the judges a unique opportunity to really focus on the execution and not the maneuvers.

Traveling with a team to a competition is a big production, and a costly one. It's not like picking your favorite show shirt out of the closet and putting your horse in the trailer and taking off to a show. There are matching uniforms and tack to purchase. You need to feed and coordinate a team of people and their ground crews for 3-4 days. To assist our teams in fundraising, CSHA Drill Team Program annually puts on a **Spring Raffle**. The raffle is a no cost or liability to the teams. We provide the tickets and prizes, and handle the paperwork. Teams get out and sell and for every ticket sold bank credit to pay their competition expenses like entry fees, stalls, facility and RV fees. Some of our teams have covered all of these costs for their State Championship event through this raffle. The winning tickets will be drawn at the State Championships with this years prizes being a \$600 Disney card and a 50" TV or a \$500 Amazon gift card.

INFO: JILL KRAUT,
JSKRAUT@CA.RR.COM

At our January Quarterly meeting we discussed the upcoming State Championships and the purchasing of awards for it. Our longtime ribbon supplier is no longer making custom rosette ribbons so we had to get some bids from new vendors. We got our purchase order requests approved at the Board of Directors meeting later in the day for ribbons, trophies and buckles and orders have been placed.

We also discussed how to better work with junior judges during a competition to make sure everyone gets the maximum benefit out of the day. We expect to have two junior judges at our May event. Just riding drill unfortunately does not magically make a great judge. The multi-tasking and analytical skills are something that can take years to perfect and not everyone is cut out for it. Without those unbiased, knowledgeable judges, we know we cannot have great events. CSHA has amazing judges, we just need a few more of them.

ROYALTY

In January the Royalty program presented some very important awards. The very special new matching royalty crowns arrived for crowning this year.

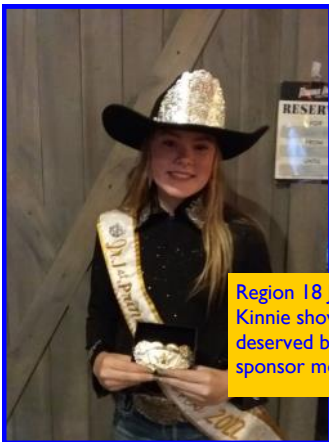

Only one young lady in the history of CSHA has won all three titles of our Royalty program, including the Little Miss (2013), Jr Miss (2015), and Miss CSHA (2019) titles. That triple crown achievement belongs to Mary Homicz of Region 18. In January she was presented with some special awards to celebrate and commemorate her special accomplishment.

Region 18 Junior Miss and State 1st Jr princess Kiana Kinnie was awarded a trophy buckle for the most sponsor money raised this year.

Also in January our Junior Miss CSHA Gracelyn Hayes and Little Miss Quincee Hilton represented CSHA at the Red Bluff Bull & Gelding Sale. Quincee also ran into a sash sister, our current Miss CA Rodeo, Jackie Scarry. Jackie rode for many years in our CSHA Drill Team Program and drew the art for our CSHA "Horses Don't Wear Seat Belts" campaign.

What is California State Horsemen's Association, Inc.?

CSHA was founded in 1942 for the purpose of fostering interest in all breeds of horses and forms of horsemanship throughout the state of California.

CSHA has designed a wide range of programs which offer participants opportunities for growth and enjoyment regardless of their type of riding, breed of horse or experience level.

CSHA implements its programs via its 18 geographic regions throughout the State of California. These Regions have elected officers and appointed program chairs who volunteer their time to develop their respective programs and who represent clubs and individuals that participate in various programs offered by the Association.

CSHA Mission Statement:

"PROVIDING EQUESTRIANS WITH QUALITY, FAMILY-ORIENTED AMATEUR EVENTS, EDUCATIONAL PROGRAMS AND RECREATIONAL ACTIVITIES FOR ALL EQUINE BREEDS AND DISCIPLINES."

CSHA is a non-profit 501 (c) 3 organization.
