PRESIDENT'S MESSAGE

Happily, CSHA has returned to a pretty active level with their programs and events. We have had some pretty changeable weather and all of a sudden here is the hot weather!

Unfortunately, along with the heat comes the wild fire season. Pre-plan what you may need to evacuate and somewhere you can move your animals. Our local rescue is ahead of the game already training their volunteers. There are a number of groups that have emerged in California with the recent fire years and are a great resource for pre-planning. Most county fairgrounds accept evacuations but check your local area ahead of time. In high danger zones; put together your evac kits for your horses as well as your family. Have collars or tags for all animals, food, water buckets, small animal kennels & cages and basic medical supplies. Many groups have set up Evacuation check lists for reference.

Recently there are again many alerts for Equine diseases that we need to be aware of. Visit the CDFA link on our website for the most current outbreak information. Many on Facebook pass along out-of-state bulletins of outbreaks that many affect those traveling with their horses.

Travel safe and have a great summer.
Jim Hendrickson

CSHA President

EQUINE INFECTIOUS ANEMIA - (EIA) Alert

On May 20th, the CDFA reported that 24 horses tested positive for equine infectious anemia (EIA) in **Tulare County**. 11 additional horses are known to be exposed to the virus. The outbreak is linked to a Quarter Horse bush track racing team according to a veterinarian for the USDA.

A Coggins blood test is done to determine the presence of EIA specific antibodies, (a negative Coggins test is required to cross state lines). The most common transmitters for the spreading of EIA is biting horseflies or the use of infected equipment or syringes. Some positive horses remain asymptomatic, but clinical signs of the disease when present can vary dramatically, from an acute infection with slight to high fever for a few days and perhaps small hemorrhages, to progressive weakness, weight loss, depression, and disorientation.

There is no known treatment for EIA. Infected horses become lifelong carriers and pose a risk of infection to other horses. If a horse is positive for EIA, options are limited to euthanasia or life-time quarantine. EIA virus is easily killed by most common disinfectants.

For more information refer to the CDFA website: [CDFA - AHFSS - AHB - Equine Health - EIA \(ca.gov\)](https://www.cdffarm.com/)

DRILL TEAM—State Championships

It all went down May 7 & 8th at the Diamond Bar Arena in Ceres. It was a tough road getting there this year, as teams continue to recover from covid shutdowns and the additional add-on crises of 2022. The EHV-1 shutting down our teams from practicing for the month of March made it impossible for some teams to get their act together in time. Don't even mention the price of gas. Teams are losing members because they cannot afford the gas hauling back and forth from practices, as many haul up to an hour or more each way. Though our competition is in Central CA that doesn't mean it is really close for any team. Two teams, **Blue Shadows** and **Untamed Cowgirls** made the haul from Southern CA and they made the trip well worth their while, as they ended up Grand Champion and Reserve Champion respectively. Most of our teams come from Stockton, Sacramento, Livermore area.

We were thrilled to see **Robert Lorbeer**, who made the trip in from Texas to judge, as well as **Patti Souza** driving in from Nevada to work with our new junior judge **Tracee Walker**. **Alice Lawellin**, **Sara Curtis** and **Jonda Brooks-Lucido** were our other judges for the weekend.

We celebrated CSHA's 80th Anniversary and our 18th year at the Diamond Bar Arena for the Drill Team Championships

Even though we were missing some teams the show must go on, and we did it in style as we celebrated CSHA's 80th Anniversary. Saturday was a short day of competition in which our Novice team rode and then our teams that took our "Buckle Challenge" rode the Compulsory drill as the first of three rides to be calculated together to see which team would take home trophy buckles for the entire team! The day was kicked off with our National Anthem presented by the **Cavallo Cowgirls** color guard. In the afternoon after the rides were finished we had some lunch and then we had a Judges & Team Symposium facilitated by **Robert Lorbeer**. The teams learned some interesting details of what judges were looking for and some teams even made changes overnight to improve their scores the next day.

Cavallo Cowgirls presented our Opening Ceremony Color Guard Saturday morning.

Our teams rode both their short and long programs in two rounds of competition. We had two VIP visitors arrive Sunday in our **President Jim Hendrickson**, and First Lady and Region 5 President **Carolyn Hendrickson**. Jim drew the lucky winning raffle tickets out of our giant barrel of Spring Raffle ticket stubs. Congratulations to our Grand prize winner **Lori Bacca** and our 2nd Prize winner, **Jennifer Cutshall**.

Sunday was a "**Hold onto your Hat**" kind of day. In fact it was so windy we made the decision to not ride with any flags for the day after our National Anthem with the colors presented by the **Blue Shadows**. Our

Sunday was WINDY! Hold on to you Hats

DRILL TEAM—State Championships continued

Time for awards: Congratulations to our Novice 1st place team - **Fabric N Rowels**. Our Junior Champions for 2022 are the **Cavallo Cowgirls**. Our Senior Champions are the **Sacramento Sheriff 911** team. **Untamed Cowgirls** rode away with the Reserve Champion title in the Mixed and Overall Reserve as well. The Compulsory, Mixed division, Overall Grand Champion & Buckle Challenge Champion went to the **Blue Shadows**.

Robert Lorbeer was on hand to personally present the Robert Lorbeer “Spirit of Drill” award to a very special young lady, **Kenzie Perdue**. Kenzie showed her remarkable horsemanship skills in her ride on her Novice team **Fabric N Rowels** drill on Saturday. Her horse was not feeling it on Saturday and said “nope, nope, nope, I’m not doing drill today”. Kenzie stayed with it the entire drill, never taking out her frustration on her horse but using persistent gentle persuasion the entire time. Did I mention **Kenzie** is only 9 years old, well she turned 10 on May 25th, Happy Birthday **Kenzie**. Everyone was rooting her on and we were all more than impressed by her skills and never give up attitude. Congratulations **Kenzie**, way to fight for it!

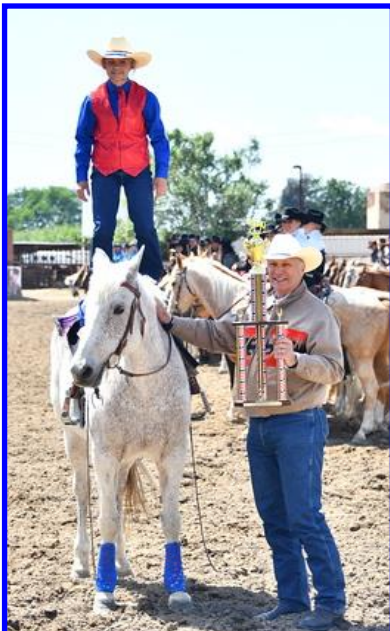

Hats off to all of the teams, great competition!

HORSEMASTERSHIP RAFFLE

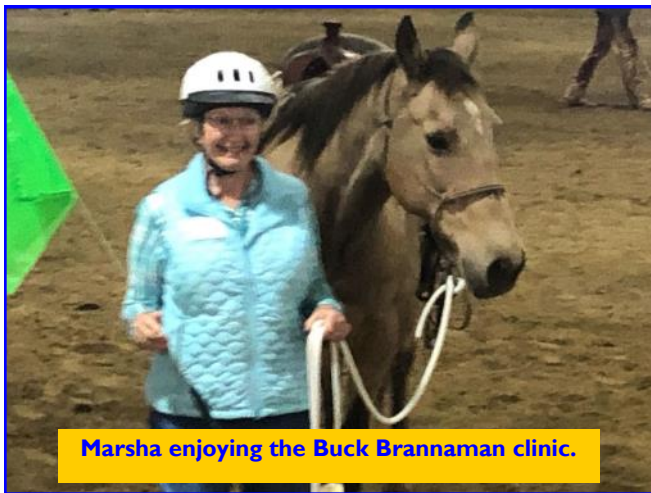

CSHA State Horsemastership Raffle Drawing 4/1/2022.

Congratulations to our winners!

1st Prize Buck Brannaman Horsemanship Clinic..... Marsha Carr Johnson !

2nd Prize 50" Flat screen TV..... Pamela Hartley!

Here are the comments that our First Prize raffle ticket winner, Marsha Carr Johnson had to say about her experience at the Buck Brannaman clinic that she attended 4/29-5/2 at Rolling Hills Equestrian Center:

Marsha enjoying the Buck Brannaman clinic.

"I am in awe of this man. I brought a horse that I liked but was afraid of him. I developed a whole new understanding of this horse. This clinic was one of the best things that has ever happened in my life with a horse. Buck is excellent at explaining the relationship between you and your horse and how to improve it. I hope to take more of his clinics and highly recommend that you do too. I thought that CSHA Horsemastership program was great, but Buck has taught me even more respect for all that CSHA does. The horse I took to his clinic was my granddaughter's horse. When I told her that I was taking him, she tried to discourage me because she thought he would be too much for me. I was a little afraid of him. I now love this horse as much as I love my old mare and know we will have a wonderful relationship ahead of us. My granddaughter went off to college so I sort of claimed him. she will be so proud of my changed opinion of Smokey and how much he and I have progressed. This clinic changed my life and I am so grateful to Buck for showing me some of the endless potential of a relationship with a horse. His staff especially Emily and Jacob were wonderful to be around and so supportive. Go to a clinic, you will not be disappointed."

Jane Vanderwerf & Mia Terry drawing the winning tickets on Facebook Live.

DRILL TEAM SPRING RAFFLE

Our Drill Team Spring Raffle once again provided teams with a way to raise much needed credit towards CSHA competitions. We had one team, the Untamed Cowgirls that earned enough credit to completely pay for their competition, all entry fees, stalls for four nights, facility fees, and \$120 in snack bar credit! Two other teams just about covered their expenses. In a year where the funds are needed for fuel costs to get to the competition it was a big help to teams that jumped on the opportunity. Our Parade Program also sold tickets to fundraise for their end of year awards.

CSHA President Jim Hendrickson was on hand at the Diamond Bar Arena, on May 8th, at the awards presentation of the State Championships for Drill Team. Jim pulled the two winning tickets from the big yellow container that rolled around in the back of the Uhaul all the way from Southern CA, so it was well mixed! Our prizes this year included a Grand Prize of a \$500 Disney Gift Card, and a 2nd Prize of a \$400 Amazon Gift Card. Our Grand Prize winning ticket was sold by a member of Spurs N Lace drill team out of Stockton. The 2nd prize was sold by a rider from the Untamed Cowgirls in Southern CA to a rider on the Firestorm drill team in Washington State. Congratulations to our winners, and if you didn't win blame Jim!

Grand Prize - Lori Bacca
2nd Prize - Jennifer Cutshall

PARADE

This year parade committees are calling and looking for equestrians to participate in their events. Many thanks to all of our members for riding in as many parades as possible to promote the California State Horsemen's Association in order for those parade events to continue to be sanctioned for our High Point Program.

Next, I would like to encourage you to submit or give Parader Grant Applications for our grant that supports therapeutic riding services for all ages. The Mid Valley Unit of Backcountry Horsemen has held two events at the beautiful facility of the Horses of Warriors, the purpose of which is to provide veterans and first responders an opportunity for connecting with themselves and others. Mid Valley Backcountry Horsemen are longtime organizers of our Columbia State Christmas Parade.

At the CSHA Quarterly meeting April 23rd, I presented our request to obtain insurance and organizing this traditional parade. The Backcountry Horsemen Mid Valley Unit President Doug Dollarhide and his wife Cathy will give me their information for continuing the parade and they will answer our questions we will need to make it a reality that benefits toys to needy children and the businesses in the State Park that day. Please call me to pick an area you would be interested in volunteering for.

Lastly, I came across an old Championship Awards Banquet Program from October 11, 1997 that was held in Costa Mesa at the Wyndham Garden Hotel. The Championship Parade that morning was held in Tustin for their Tiller Days celebration and the horses were stabled at the Orange County Fairgrounds. Some of our members are listed as well as the names of the chairs, judges and their stewards. Truly a glimpse into the past.

RIPON ALMOND BLOSSOM FESTIVAL

Janet Heuer is the captain of the Sierra Cowgirls Color Guard team. Her husband, Marc Wellman, took pictures at the Ripon Almond Blossom Festival. Janet is in the front row holding the US flag, on the black & white Paint named Pretty Boy. The team is from Tuolumne County & most of the riders are from Groveland. They have been riding together for almost 10 years and plan to participate in the Sonora Mother Lode Round-up parade in May.

Parade Chair Candy was the parade entry behind them and luckily they captured her in their video (on YouTube under Sierra Cowgirls Ripon parade 2022) and also in our still photographs.

What is California State Horsemen's Association, Inc.?

CSHA was founded in 1942 for the purpose of fostering interest in all breeds of horses and forms of horsemanship throughout the state of California.

CSHA has designed a wide range of programs which offer participants opportunities for growth and enjoyment regardless of their type of riding, breed of horse or experience level.

CSHA implements its programs via its 18 geographic regions throughout the State of California. These Regions have elected officers and appointed program chairs who volunteer their time to develop their respective programs and who represent clubs and individuals that participate in various programs offered by the Association.

CSHA Mission Statement:

“PROVIDING EQUESTRIANS WITH QUALITY, FAMILY-ORIENTED AMATEUR EVENTS, EDUCATIONAL PROGRAMS AND RECREATIONAL ACTIVITIES FOR ALL EQUINE BREEDS AND DISCIPLINES.”

CSHA is a non-profit 501 (c) 3 organization.
