The New Horseman

PROVIDING EQUESTRIANS WITH QUALITY, FAMILY-ORIENTED AMATEUR EVENTS, EDUCATIONAL PROGRAMS AND RECREATIONAL ACTIVITIES FOR ALL EQUINE BREEDS AND DISCIPLINES.

A publication of the California State Horsemen's Association Inc.

August 2026

PRESIDENT'S MESSAGE

Hello all! As summer activities around the state peak I am heartened by the energy and enthusiasm of our members and leadership! The wide variety of opportunities our organization offers equine enthusiasts is truly amazing, and the sharing of knowledge, skills and experience at our Quarterly Meetings, during our Listening Sessions, on our website and in the newsletter truly provide a service to our community. I thank you all for your participation, your support and your contributions to this organization. I believe we are truly fortunate to be able to work and learn together.

And, as we move forward, I am eager to stand with you and look ahead to the next chapter of CSHA as we face new challenges. The equestrian world in California is changing, and working together is certainly the best way to meet and adapt to the future. Once again, thank you for being part of this effort.

Our Annual Convention is not too far away --- I hope you're making plans to be there and enjoy the learning and rewards the Convention offers. In the meantime, please share with me your thoughts, ideas and concerns so that we can continue to grow as an association.

Thank you again,

Laura

Laura Shultz Photo by Ashley Kelly

What can you celebrate in August? How about August 1st – Respect for Parents Day, recognizing the leadership roles parents play in not only a child's life, but also in our communities. We can all celebrate and honor parents by helping them, listening to them and appreciating them.

Heads up!

News briefs from CSHA

HEAT ALERT: US EQUESTRIAN RECOMMENDATIONS FOR COMPETITIONS

HEAT INDEX

HEAT INDEX > 180

Consider Alternative Competition Times

Normal cooling is almost ineffectual

HEAT INDEX > 150

Use Caution

Monitor closely for signs of heat stress
From 130-150, begin to monitor

HEAT INDEX < 130

Enjoy the competition!

The horse can keep its body cool

HOT TIPS

Heat exhaustion should not be underestimated as it can advance to heat stroke quickly.

If you suspect your horse is developing heat stroke, or if your horse's body temperature does not drop below 101°F or lower despite your best efforts to cool them off, call your veterinarian immediately!

Information provided by AAEP

HEAT INDEX

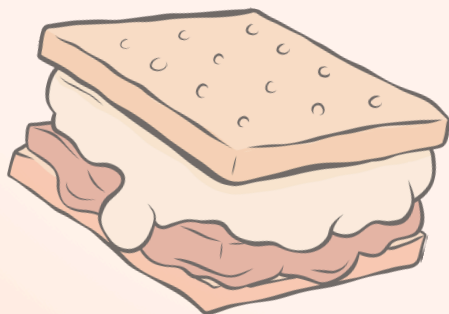

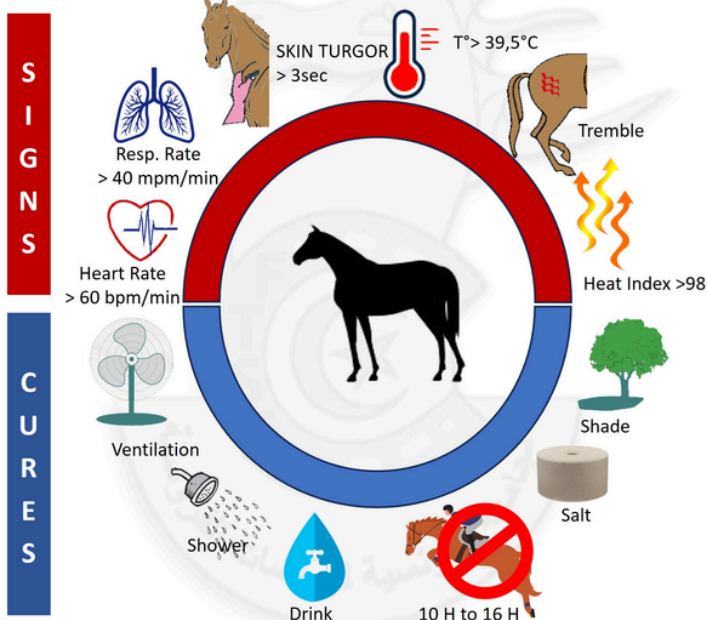

TEMPERATURE

HUMIDITY

HEAT STROKE

August 2nd is National Ice Cream Sandwich Day. No joke. Go celebrate – you know what to do!

Heads up!

Mark your calendar!

CSHA NEWS: JUDGES

Alice Lawellin

Photo by Ashley Kelly

The judges commission is **still** actively looking for people who wish to become a CSHA judge in any of our disciplines. To learn more, call Alice (209) 629-7244 or (209) 858-2638 and start exploring the possibilities.

August 3rd is National Watermelon Day! Celebrate with your horse!

CSHA NEWS: GYMKHANA

COMING IN OCTOBER!

The Best of the Best Converge in Watsonville

In October the best horses and amateur riders from the north, south and central Areas of California make the trek to Watsonville for the CSHA Gymkhana State Championship Show (SCS). This competition showcases the CSHA *crème de le crème* in Gymkhana. The horses and their riders make the Santa Cruz County Fairgrounds their home during the three days of intense competition.

The SCS is not an open show. Combinations must qualify by competing in the shows held in the Regions from January 1st to September 15th. During the regular season our Region Gymkhana Chairmen promote our program and this show by volunteering their time and dedication to their Region's program. Without these local competitions riders would not be able to qualify to compete at the SCS and the chance by named Division State Champion. Each Champion wins a custom fitted 7 Saddle, a buckle and a banner. Reserve Champions are awarded a buckle and custom breast collar. The top10 in each Division are awarded a custom buckle.

Special thanks to everyone who volunteers their time to cover the many duties this show requires. And of course, a VERY SPECIAL thank you to all of the competitors...without you there would be no show.

August 6th --- National Root Beer Float Day! Go wild!

Gymkhana State Champions

Gymkhana...It's More Than Just A Barrel Racing

Meet Rubi Hooper

Rubi Hooper, the 2025 CSHA Gymkhana Scholarship winner, is a first-year gymkhana rider out of Region 3 in Northern California. Region 3 Gymkhana holds their shows at the Orangevale Park Arena and that's where Rubi saw us for the first time. She and her family were walking through the park, saw our show and talked to some riders, and showed up at the next show with Stella Rose, a 15-year-old old Gypsy sport vaulting mare whom they have owned (and vaulted with!) since 2019. Neither Rubi nor Stella had done gymkhana before but they jumped in with all 6 feet and brought younger sister Nora with them. Rubi and Stella rated into Division 6 and when the girls decided to go to the State Championship Show, Rubi was encouraged to apply for the scholarship. The four areas on which applicants are judged are Horsemanship,

Sportsmanship, Respect, and Responsibility. Rubi is an outstanding example of these qualities at Region 3 shows and simply carried on business as usual at the SCS. She was very excited about FINALLY getting to work the gate because she turned 18 at the end of the regular season! Rubi exhibited the utmost level of care for her horse throughout the show, supported and cheered for both Region 3 riders and those from other regions, helped out wherever needed and turned in a solid "first SCS" show performance! Rubi will be riding this summer with Region 3 but will be leaving this fall for Freed-Hardeman University in Tennessee to study physical therapy and ultrasound technology.

Region 3 is very proud of Rubi and Stella and all they have accomplished this first year! Congratulations!!

Sneak Some Zucchini Into Your Neighbor's Porch Day on August 8 offers gardeners a way to rid themselves of extra produce. For some, this day offers a way to rid their garden of an overproducing squash plant.

CSHA NEWS: CHARITABLE TRUST

THE CALIFORNIA STATE HORSEMEN'S ASSOCIATION CHARITABLE TRUST

**YOUTH RIDERS
NEED YOUR HELP**

Supporting the youth of CSHA is top priority for the CSHA Charitable Trust. The Trust depends on CSHA members to fund the various scholarships that CSHA promotes in many of our programs. As educational costs have increased, the Trust has worked with CSHA programs to raise the amounts of scholarships awarded in the past few years to keep them useful and beneficial. The result has seen more riders apply for, and use their scholarship awards. This also means that more money is going out and we need your support to continue to grow and help more of our young riders.

What is the Trust: The CSHA Charitable Trust was established in 1969 by the CSHA Board of Directors as a separate charitable tax-exempt entity to award and distribute scholarship funds. The Trust is comprised of three volunteer Trustees who oversee the funds.

The way the Trust works: The Trust is notified by CSHA State Chairs of riders that have met the requirements of the scholarship fund in their discipline. The Trust holds funds in that riders name until the rider needs them for their educational purposes. The Trust, when notified by the rider, verifies the request before sending the funds directly to the school in the riders name. The Trust funds are invested in the market to continually generate funds, but donations are needed to keep up with demand.

PLEASE CONSIDER A DONATION USING THE FORM ON THE NEXT PAGE

On August 17, National Nonprofit Day (NND) recognizes the goals and positive impacts nonprofits have on communities and the world. Celebrate by supporting the non-profits of your choice!

ALFALFA • ORCHARD GRASS OR ORCHARD-ALFALFA MIX

Support the CSHA Horsemastership State Program and get an **OUTRAGEOUS DEAL** on premium, local hay!

BUY A TICKET. SUPPORT A DREAM. BUILD THE FUTURE.

August 20th is NATIONAL BACON LOVERS DAY!

CSHA NEWS: Obstacle Challenge

Obstacle Challenge events are just getting warmed up for the 2026 show year.

Region 13 has sanctioned 6 shows starting in July, they will also be holding obstacle practice on the weekend following each show. Running I Ranch in Dunnigan will be holding 3 shows in one weekend again in September. Our State Obstacle Challenge Championship show will once again be at Running I Ranch this year.

Region 5 along with Mt Diablo Equestrian Heritage Assoc. will be having an OC Show in August. Region 18 is just starting a program, and plans on several Obstacle practices and possibly a sanctioned show this year. Check out the Obstacle Challenge Events page on the CSHA website for more information. Also follow us on Facebook: CSHA Obstacle Challenges.

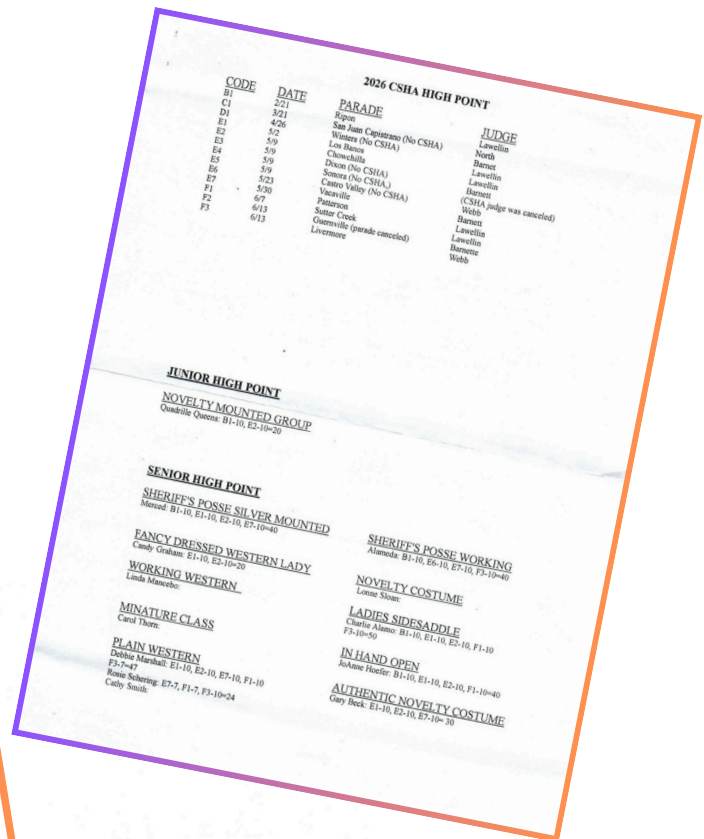

Vicki Nims

On August 19, 1988, President Ronald Reagan signed Proclamation 5847 declaring August 21st as National Senior Citizens Day.

parade@newmanfallfestival.org

DECEMBER

13th Judge: Alice Lawellin
Columbia Christmas Parade/Back County Horseman
Ms. Barbara Savory and Ms. Deb Lewis (209) 743-3580
11594 Campo Seco Rd Sonora CA 95370

We were disappointed that the Merced Sheriff's Posse was unable to ride in Washington DC due to extreme weather conditions

The parade program has started the second half of our season. There were several July 4th parades and Salinas Rodeo Parade in July.

Several members plan to ride in Newman on September 6th.

We are looking for applications for our Parader's Grant. This goes to a program that offers horse experiences to physically and/or mentally handicapped individuals in our State. We will take nominations until August 15th. The application can be found on the CSHA website

Charlie Alamo

Every year on August 26 we recognize National Women's Equality Day. The United States Congress passed the 19th Amendment to the Constitution granting women full and equal voting rights on this day in 1920.

TRAIL TRIALS - UPCOMING EVENTS

Preparations are well under way for our 2026 CSHA Trail Trial STATE CHAMPIONSHIP EVENT!

This year it will be held at the beautiful Stone Cellar Homestead Camp in the Crystal Basin Wilderness area of the Eldorado National Forest; a beautiful area to horse camp and ride. The Stone Cellar was homesteaded in the 1800s as a high-altitude wilderness ranch. Settlers built subterranean stone root cellars to preserve food and supplies. The homestead was a rest point near early wagon roads and grazing routes that linked the western foothills of Placerville and Georgetown to the high Sierra lakes. Invitations will be sent out in August. Don't forget to check your cinch, thank your judge and ride on!

On August 25, 1916, President Woodrow Wilson signed what is now called the Organic Act to establish the National Park Service. As part of the Department of Interior, the National Park Service protects 400 areas in 50 states, U.S. territories, and the District of Columbia, totaling 84 million acres. August 25 is now celebrated as National Park Service Founders Day.

National Dog Day on August 26 encourages dog ownership of all breeds.

REGION NEWS: Region 5

CSHA members from Regions 4 and 5 are actively campaigning against a proposal to open the trail along the South Shore of Lake Camanche to bicycles.

Turkey Hill Equestrian Campground and surrounding Calaveras County trails are beloved by horse people.

East Bay Municipal Utility District, the land owner, has a longstanding policy in its Watershed Plan that limits trail use to hikers and horses. The agency manages open space in Alameda and Contra Costa Counties (CSHA Region 5) as well as in the Mokelumne Watershed east of Lodi (Region 4).

The proposal for a "bicycle pilot" was presented to the EBMUD board of directors Planning Committee at the agency's Oakland headquarters on July 14. Presiding were elected directors Marguerite Young (Oakland) and Luz Gómez (Tri-Valley). A third committee member, Valerie Lewis (Castro Valley) was absent. EBMUD general manager Clifford Chan, along with senior staff, attended. Director Young is a mountain bike enthusiast.

Chuck Beckman, Watershed Recreation Manager and a mountain bike advocate, presented the proposal on the grounds that the agency's 2010 Watershed Recreation Plan states as an objective "Evaluate bicycle use on selected fireroad portions of trails".

Eight members of the public spoke against the proposal. Two cyclists spoke in favor. In person were former EBMUD director Helen Burke; Martha Martin, representing the Regional Parks Association; and Amelia Marshall, representing CSHA.

Objections to the bike pilot included:

Bikes and horses are incompatible;

Once you start allowing bicycles, it will be difficult to keep them out;

Experience within other agencies, such as the East Bay Regional Park District, shows that if any bikes are allowed, Class 2 and Class 3 electric bicycles and e-motos will be impossible to keep out;

The proximity of the equestrian campground to the RV and tent campgrounds make it likely that unsupervised children on e-bikes would spook the horses;

Lake Camanche has inadequate law enforcement and medical first response capability to manage bike-involved accidents;

The trail under discussion does not connect to any other bike trail, although it is a segment of the unfinished Mokelumne Coast To Crest Trail;

The trail under discussion is not a fire road; specific criteria define fire road construction standards in California Public Resources Code Section 4290. Thus it does not qualify for inclusion under the objectives of the EBMUD Watershed Recreation Plan.

Amelia Marshall

August 30th --- National Beach Day!

REGION NEWS: Region 5 (cont'd.)

Beckman asserted that the South Lake Camanche area is not intensively used by equestrians. He cited trailhead sign-in sheets as his only trail-use data. Equestrians who ride in the area maintain that the sign-in sheets are not clearly visible, thus signing-in compliance is sporadic, and horses are not being adequately counted.

In response to the controversy, Director Luz Gómez refused to approve the bike pilot to be sent for action to the full board. She twice asked Beckman, “Why are we doing this?” She instructed him to “Do more outreach”. The matter will return to the EBMUD Planning Committee, possibly at their November 10, 2026 meeting.

Call to action:

- If you ride at Lake Camanche, write to the members of the EBMUD board, especially the Planning Committee, and general manager Clifford Chan.
- If you are an EBMUD ratepayer, write to your elected director, or to the members of the Planning Committee:

joey.d.smith@ebmud.com, luz.gomez@ebmud.com, marguerite.young@ebmud.com, andy.katz@ebmud.com, jim.oddie@ebmud.com, valerie.lewis@ebmud.com, april.chan@ebmud.com, Clifford.chan@ebmud.com

From Westbound hwy 299 take of f. on Glendale rd. right to stop sign then turn left. Continue to Fieldbrook rd. Turn right, continue about 5 miles (just past grange) to Evans Rd. Turn left to end. Left on gravel rd (Old Railroad grade) Beware of speed bump. 7/10 mi to ranch.

Mark your calendar for these special Region 13 events --- your hosts include free camping and corrals to enhance your weekend experience!

August 13 is International Left Handers Day and was founded in 1992 in the United Kingdom.

REGION NEWS: Region 19

Update from Region 19

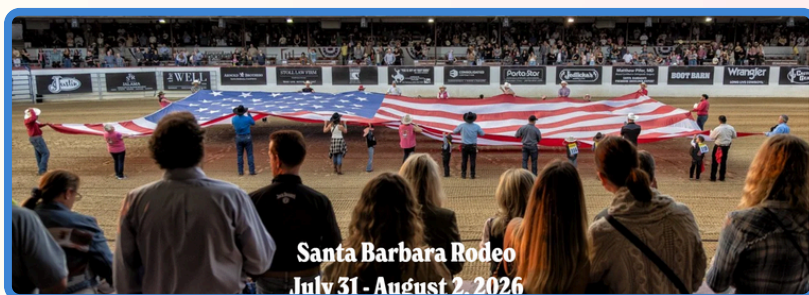

First, we're pleased to announce significant progress in our ongoing collaboration with the Santa Barbara Equine Evacuation Team and local first responders. We've been working diligently to ensure their emergency office trailer is fully staged and operational once again at the Earl Warren Fairgrounds. This critical asset greatly enhances our community's capacity to respond swiftly and effectively to equine-related emergencies, providing a vital command center when it's needed most.

Secondly, looking ahead to September, we are actively participating in a fundraising event. This initiative is dedicated to raising essential funds to support the wonderful work of our local Santa Barbara County Animal Services. Their efforts are crucial for animal welfare and emergency response across the county, and we're proud to contribute to their mission. Stand by for dates and details of this event!

Finally, we are also organizing a specialized training session for local horse owners. This workshop will focus on the practical application of the "Loops" rescue system, an innovative and humane technique developed by Dr. Madigan of Davis. The training aims to empower horse owners with the knowledge and skills to safely assist equines in various emergency situations, further enhancing animal safety within our community.

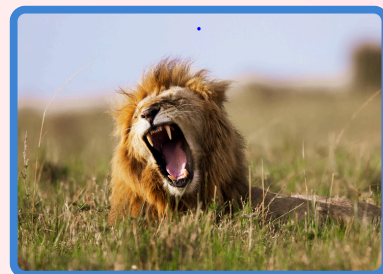

*Ronda Hathaway,
President, Region 19
SB Equine Evac President
Hathaway Ranch HK
805-452-9236*

The show originated from early Santa Barbara riding events dating back more than a century, but was officially formalized in the 1950s by local equestrians who wanted a dedicated, high-tier showcase for the region.

What is California State Horsemen's Association, Inc.?

CSHA was founded in 1942 for the purpose of fostering interest in all breeds of horses and forms of horsemanship throughout the state of California.

CSHA has designed a wide range of programs which offer participants opportunities for growth and enjoyment regardless of their type of riding, breed of horse or experience level.

CSHA implements its programs via its 18 geographic regions throughout the State of California. These Regions have elected officers and appointed program chairs who volunteer their time to develop their respective programs and who represent clubs and individuals that participate in various programs offered by the Association. CSHA Mission Statement:

"PROVIDING EQUESTRIANS WITH QUALITY, FAMILY-ORIENTED AMATEUR EVENTS, EDUCATIONAL PROGRAMS AND RECREATIONAL ACTIVITIES FOR ALL EQUINE BREEDS AND DISCIPLINES."

CSHA is a non-profit 501 (c) 3 organization.
